Issues Facing Christians Today Dr. John R.W. Stott, John Wyatt, 2011-04-19 Terrorism Same sex marriage Debt cancellation The AIDS pandemic These are just some of the critical contemporary issues addressed in this book Issues Facing Christians Today helps thinking Christians sift through and respond to a sweeping array of complex and pressing topics Thoroughly revised and updated by Roy McCloughry and fully endorsed by John Stott this fourth edition continues a two decades plus legacy of bringing important current issues under the lens of biblically informed thinking Combining a keen global awareness with a gift for penetrating analysis the authors examine such vital topics as Pluralism and Christian witness Cohabitation environmentalism and ecological stewardship War and peace Abortion and euthanasia And much more An entirely new chapter on bio engineering has been contributed by Professor John Wyatt of University College London Including a study guide Issues Facing Christians Today is essential reading for Christians who wish to engage our culture with insight passion and faith knowing that the gospel is as relevant and deeply needed today as at any time in history As the culture wars continue this book will remain a critical contribution helping to define Christian social and ethical thinking in the years ahead

The Scandal of Evangelicals and Homosexuality Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future *The Scandal of Evangelicals and Homosexuality* offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate

ThirdWay, 1999-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture

Worlds Colliding Rex J. Ahdar, 2017-07-12 This title was first published in 2001 *Worlds Colliding* argues that the

prevailing worldview held by those in positions of power in Western government sets the bounds for religious tolerance It explores the degree to which a modern liberal state will allow a counter cultural community the freedom to live according to its concept of the good life John Stott a Global Ministry Timothy Dudley-Smith,2001 From his home base at All Souls in London Stott reached out to embrace a wide number of strategic Christian causes including Scripture Union the International Fellowship of Evangelical Students of which InterVarsity Christian Fellowship USA is a member movement and the Evangelical Alliance with its TEAR Fund among others In the Church of England he made signal contributions at the 1967 and 1977 National Evangelical Anglican Congresses These years also saw his dramatic confrontation with Martyn Lloyd Jones over the place of evangelicals in the Church of England His leadership was crucial as well to the success of the International Congresses on World Evangelization at Lausanne 1974 and Manila 1989 which have continued to have major influence on the church to this day His global influence has been felt further through the organizations he established the Langham Trust the London Institute for Contemporary Christianity and the Evangelical Literature Trust During this time he has published over forty books that have sold over eight million copies worldwide as well as serving as editor for the series of expositions appreciated around the world as *The Bible Speaks Today* All this and more has led prominent churchman David Edwards to consider John Stott to be apart from William Temple who died as Archbishop of Canterbury in 1944 the most influential clergyman in the Church of England during the twentieth century In this book is found the history of the maturing of the evangelical movement worldwide and the story of one of its most pivotal and inspirational leaders BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Decisive Issues Facing Christians Today** John R. Hetty Lalleman,Hetty Lalleman-de Winkel,2004 Christians often see the Old Testament law as out of date and irrelevant now that Christ has come Lalleman rejects this view and makes the case for the ongoing importance of the Law in the Christian life something to celebrate Most helpfully Lalleman sets out a model for interpreting Old Testament laws in the context of the whole of the Bible She interacts with the scholarly literature on the subject in a very readable way and provides some basic biblical principles for integrating the whole of God s word in our lives Lalleman then fleshes out these principles by applying them to three difficult topics in Old Testament law food laws the cancellation of debts and warfare At the heart of this celebration of the law she contends is the wholeness holiness and integrity of God himself
