Family and Sucession Law in Japan Satoshi Minamikata,2022-05-20 Derived from the renowned multi volume International Encyclopaedia of Laws this concise exposition and analysis of the essential elements of law with regard to family relations marital property and succession to estates in Japan covers the legal rules and customs pertaining to the intertwined civic status of persons the family and property After an informative general introduction the book proceeds to an in depth discussion of the sources and instruments of family and succession law the authorities that adjudicate and administer the laws and issues surrounding the person as a legal entity and the legal disposition of property among family members Such matters as nationality domicile and residence marriage divorce and cohabitation adoption and guardianship succession and inter vivos arrangements and the acquisition and administration of estates are all treated to a degree of depth that will prove useful in nearly any situation likely to arise in legal practice The book is primarily designed to assist lawyers who find themselves having to apply rules of international private law or otherwise handling cases connected with Japan It will also be of great value to students and practitioners as a quick guide and easy to use practical resource in the field and especially to academicians and researchers engaged in comparative studies by providing the necessary basic material of family and succession law

Many Faces of Love Kaarina Määttä,Satu Uusiautti,2013-04-19 What do we actually talk about when we talk about love Research on love

and emotions has been met with suspicion although people live in a network of relationships from birth to death and the ability to build and maintain relationships is an important strength This book provides a comprehensive research based analysis of love in human life romantic love and its ups and downs and the fascination of love the combination of work and family the secrets of a long lasting marriage senior love and the throes and relief of a divorce Love is also discussed in relation to other phenomena such as friendship play and creativity In addition themes of parental love and pedagogical love and the ability to love as well as dark sides of love are introduced Love is worth cherishing and practicing Other people s experiences may be helpful and information about the nature of love can relieve the pain Thus love in its various forms makes the best health insurance This book is meant for everyone interested in love but also for professionals in various fields such as psychologists educators and couple and family counselors The book is based on authors Prof Kaarina M t t s and Dr Satu Uusiautti s extensive research on love at the University of Lapland Finland

Families Alex Liazos,2015-12-03 Unlike other family textbooks that mostly emphasize conflicts and problems this book also features the joys and pleasures of family living and its mutually nourishing qualities Its perspective reflects polls surveys and student essays indicating that most people value their families Families everywhere provide love support and sustenance to their members but they do so in many different arrangements Understanding the wide variety of families historically and across cultures gives the student a better basis for understanding how families change and a better grasp of more controversial changes such as the gradual acceptance by Westerners of same sex marriage and child rearing by single people Liazos offers two poignant chapters not found in other texts Family Living Chapter Six focuses on the social value of caregiving and family meals Kin and Community Chapter Seven focuses on relationships among kin and the larger community
