Hypnagogic State Jacob D'Lallo, 2015-01-08 The events in this book are completely fictional You can t trust the author to give an accurate depiction everything that took place All my listeners must band together against his lies and uncover this giant human trafficking network ourselves The evidence he presents isn t even evidence The perspective of one person that we can t even be sure was a part of these events does not disqualify an entire listenership that has put together our own enthralling evidence of a gigantic government cover up involving everything from mass kidnappings of innocent women to quite possibly alien activity No one man could have done all this by himself It doesn t explain everything The warehouse full of torture chambers The mysterious lack of police investigation The aliens How can we believe this Why should we believe this Are we just going to sit around and wait for the truth to come forth on its own No We must dig it up ourselves no matter how far down its twisted roots take us Rebecca Truboux

Apache Caress Georgina Gentry, 2014-05-16 An untamed passion runs wild in this sizzling historical romance from one of the finest Western writers of the decade Romantic Times She was his captive Cholla seethed with fury The Apache scout had risked his life tracking down renegades for the white man only to find himself chained on an army prison train Well if they wanted a vicious criminal he d give them one he d even force a woman to help him escape Sierra Forester had gotten in his way and he was in no mood to let the beautiful widow go He didn t intend to harm her but it was a long way from St Louis to Arizona and along the trail he vowed to discover exactly what his lovely captive knew about unleashing her own desires He was her passion Every day Sierra grew less afraid of her captor even though her husband had died at the hands of the Apache But this man seemed to have more honor and courage than anyone she d ever known As they moved west the handsome warrior protected her from wild animals and wilder men and tempted her with delights she d never imagined Now her traitorous soul hoped she d never be free from his muscular embrace Her urges were scandalous but Sierra could resist no longer She would give anything to savor the wild ecstasy of his searing touch Praise for the writing of Georgina Gentry Georgina has done it again Madeline
