New Citizenship:

The Oxford Handbook of Citizenship Ayelet Shachar, Rainer Bauboeck, Irene Bloemraad, Maarten Vink, 2017-08-03

Contrary to predictions that it would become increasingly redundant in a globalizing world citizenship is back with a vengeance. The Oxford Handbook of Citizenship brings together leading experts in law, philosophy, political science, economics, sociology, and geography to provide a multidisciplinary comparative discussion of different dimensions of citizenship as legal status and political membership, as rights and obligations, as identity and belonging, as civic virtues and practices of engagement, and as a discourse of political and social equality or responsibility for a common good. The contributors engage with some of the oldest normative and substantive quandaries in the literature, dilemmas that have renewed salience in today's political climate. As well as setting an agenda for future theoretical and empirical explorations, this Handbook explores the state of citizenship today in an accessible and engaging manner that will appeal to a wide academic and non-academic audience. Chapters highlight variations in citizenship regimes practiced in different countries, from immigrant states to non-western contexts, from settler societies to newly independent states attentive to both migrants and those who never cross an international border. Topics include the selling of citizenship, multilevel citizenship, in-between statuses, citizenship laws, post-colonial citizenship, the impact of technological change on citizenship, and other cutting-edge issues. This Handbook is the major reference work for those engaged with citizenship from a legal, political, and cultural perspective. Written by the most knowledgeable senior and emerging scholars in their fields, this comprehensive volume offers state-of-the-art analyses of the main challenges and prospects of citizenship in today's world of increased migration and globalization. Special emphasis is put on the question of whether inclusive and egalitarian citizenship can provide political legitimacy in a turbulent world of exploding social inequality and resurgent populism.

Sex and the Citizen Faith L. Smith, 2011-04-29 *Sex and the Citizen* is a multidisciplinary collection of essays that draws on current anxieties about legitimate sexual identities and practices across the Caribbean to explore both the impact of globalization and the legacy of the region's history of sexual exploitation during colonialism, slavery, and indentureship. Speaking from within but also challenging the assumptions of feminism, literary and cultural studies, and queer studies, this volume questions prevailing oppositions between the backward, homophobic nation-state and the laid-back service-with-a-smile paradise, or between giving in ignominiously to the autocratic demands of the global north and equating postcolonial sovereignty with a wholesome heterosexual citizenry. The contributors use parliamentary legislation, novels, film, and other texts to examine Martinique's relationship to France, the diasporic relationships between the Dominican Republic and New York City, between India and Trinidad, and between Mexico's capital city and its Caribbean coast, indigenous names for sexual practices and desires in Suriname, and the Eastern Caribbean, and other topics. This volume will appeal to readers interested in how sex has become an important register for considerations of citizenship, personal and political autonomy, and identity in the Caribbean and the global south. From Migrants to Citizens T. Alexander Aleinikoff, Douglas Klusmeyer, 2013-01-25 Citizenship policies are changing rapidly in the face of global migration trends and the inevitable ethnic and racial diversity that follows. The debates are fierce. What should the requirements of citizenship be? How can multi-ethnic states forge a collective identity around a common set of values, beliefs, and practices? What are appropriate criteria for admission and rights and duties of citizens? This book includes nine case studies that investigate immigration and citizenship in Australia, the Baltic States, Canada, the European Union, Israel, Mexico, Russia, South Africa, and the United States. This complete collection of essays scrutinizes the concrete rules and policies by which states administer citizenship and highlights similarities and differences in their policies. *From Migrants to Citizens*, the only comprehensive guide to citizenship policies in these liberal democratic and emerging states, will be an invaluable reference for scholars in law, political science, and citizenship theory. Policymakers and government officials involved in managing citizenship policy in the United States and abroad will find this an excellent, accessible overview of the critical dilemmas that multi-ethnic societies face as a result of migration and global interdependencies at the end of the twentieth century.

Citizenship and Sustainability in Organizations David Murphy, Alison Marshall, 2020-12-29 *Citizenship and Sustainability in Organizations: Exploring and Spanning the Boundaries* is the introductory book in the series of the same name and draws upon new conceptual thinking from some of the leading contributors to *The Journal of Corporate Citizenship* on topics of social responsibility, organizational citizenship, influencing and leading change for sustainability, and individual agency. Chapter authors are influential thinkers pushing the boundaries of conventional thinking about corporate citizenship and sustainability to generate innovative ideas, models, and practices. The book's core message is that the contexts within which organizations and individuals act are undergoing significant change and disruption. Existing corporate social responsibility (CSR), corporate citizenship, and business sustainability models and frameworks need to be adapted, abandoned, or transformed. This book represents a starting point for dialogue about these challenges and presents commentaries, debates, essays, and insights that aim to be provocative and engaging, raise some of the important issues of the day, and provide observations on what may be too new yet to be the subject of detailed empirical and theoretical studies. The book is aimed at researchers, students, and practitioners in the fields of corporate citizenship, sustainability, CSR, business ethics, corporate governance, and critical management and leadership studies.

Equal Citizenship, Civil Rights, and the Constitution Christopher Green, 2015-11-19 The Privileges or Immunities Clause of the Fourteenth Amendment is arguably the most historically important clause of the most significant part of the US Constitution. Designed to be a central guarantor of civil rights and civil liberties following Reconstruction, this clause could have been at the center of most of the country's constitutional controversies, not only during Reconstruction but in the

modern period as well yet for a variety of historical reasons including precedent setting narrow interpretations the Privileges or Immunities Clause has been cast aside by the Supreme Court This book investigates the Clause in a textualist originalist manner an approach increasingly popular among both academics and judges to examine the meanings actually expressed by the text in its original context Arguing for a revival of the Privileges or Immunities Clause author Christopher Green lays the groundwork for assessing the originalist credentials of such areas of law as school segregation state action sex discrimination incorporation of the Bill of Rights against states the relationship between tradition and policy analysis in assessing fundamental rights and the Fourteenth Amendment rights of corporations and aliens Thoroughly argued and historically well researched this book demonstrates that the Privileges or Immunities Clause protects liberty and equality and it will be of interest to legal academics American legal historians and anyone interested in American constitutional history Country Reports on Human Rights Practices ,2001 **Public Papers of the Presidents of the United States** United States.

New Citizenship Introduction

In today's digital age, the availability of New Citizenship books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Citizenship books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Citizenship books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Citizenship versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Citizenship books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Citizenship books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Citizenship books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New Citizenship books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Citizenship books and manuals for download and embark on your journey of knowledge?

FAQs About New Citizenship Books

1. Where can I buy New Citizenship books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a New Citizenship book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of New Citizenship books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are New Citizenship audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read New Citizenship books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
