**A New Breed of Doctor** Alan H. Nittler, 1972      **New Breed**, 1990      *Dr. Dolittle Collection* Hugh Lofting, 2023-12-08

The Dr Dolittle Collection by Hugh Lofting presents a delightful tapestry of whimsical tales centered around the wonderful veterinary doctor who discovers his ability to communicate with animals. Written in the early 20th century, this collection blends adventure and fantasy with richly descriptive prose that captivates readers of all ages. Lofting's work is infused with charm and humor, offering sharp social commentary through its exploration of themes such as empathy, friendship, and the importance of understanding the natural world. Positioning it within the tradition of children's literature that seeks to educate while entertaining, Hugh Lofting, a British author and illustrator, created the character of Dr. Dolittle while serving in the military during World War I, drawing inspiration from his early experiences as a writer and his love for animals. His desire to escape the grim realities of war led him to craft a fantastical universe where kindness and altruism triumphed. Lofting's background in engineering and his keen observational skills allowed him to create a realistic yet enchanting depiction of animal life, which remains influential in both literature and ecology. This collection is highly recommended for readers of all ages seeking a blend of humor, adventure, and moral insight. Lofting's ability to fuse fantasy with poignant life lessons makes the Dr Dolittle Collection a timeless read that encourages empathy and understanding between humans and animals alike.
