Parcel Arrived Safely Tied With String My Autobiography:

Parcel Arrived Safely, Tied with String Michael Crawford,1999 Autobiography of one of Britain s most internationally successful stars *Parcel Arrived Safely, Tied with String* Michael Crawford,2005 In his autobiography Crawford recalls his childhood his early years in showbusiness and the friendships made along the way His famous stage shows and films are all remembered and he offers plenty of professional and personal behind the scenes anecdotes *Parcel Arrived Safely: Tied with String* Crawford Michael,1999-08-01 **Disney's Live-Action Movie Bombs, 1979-2019** Tyler Mattis,2024-12-26

This book explores the history of Disney s biggest live action movie failures from the late 1970s to the late 2010s That stretch of time was a transformative period in which the company made many financial gains but gradually lost its identity which had largely been synonymous with founder Walt Disney The chapters explain why each movie was made the casting process production details and why each movie failed financially Covered here are cult classics like *Tron* and *Hocus Pocus* alongside more well known bombs like *John Carter* and *The Lone Ranger* Gene Kelly Earl J. Hess,Pratibha A. Dabholkar,2020-10-02 Whether as a curiosity or a beloved idol Gene Kelly 1912 1996 lives on in our cultural memory as a fantastic dancer in MGM musicals especially *Singin in the Rain* But dancing however extraordinary was only one of his many gifts This book for the first time offers a full picture of Gene Kelly as the Renaissance man he actually was dancer yes but also choreographer actor clown singer director teacher and mentor Kelly was star of radio and television as well as film avant garde as artist and auteur but also ahead of the curve in opening the world of dance to differences of race ethnicity and gender Gene Kelly *The Making of a Creative Legend* takes us from Kelly s youth in Depression era Pittsburgh through his years on Broadway and ascendance to stardom in Hollywood Authors Hess and Dabholkar pay particular attention to his work with the US Navy solo directing and lesser known but considerable accomplishments in television radio and on the stage in later years The book gives us a rare inside look at Kelly s relationships with dancing partners and peers from Leslie Caron Vera Ellen and Cyd Charisse to Fred Astaire and at his directorial collaboration with Stanley Donen and Vincent Minnelli and at his solo directing The authors show us significant but little examined facets of Kelly s character and career such as the political convictions that got him graylisted in Hollywood his passion for creating cine dance and serving as an ambassador of dance in America and his forging of links between dance civil rights and the common man Steeped in research and replete with photographs this career biography uniquely encompasses all phases of Gene Kelly s life and work and finally gives us a full portrait of this central figure in the history of the film musical during Hollywood s Golden Age *Good Nights Out* Aleks Sierz,2019-12-12 London s West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In *Good Nights Out* Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national

identity and theatre's role in creating it has evolved over the decades. The book spans a range of work from almost forgotten plays such as R F Delderfield's *Worm's Eye View* and Hugh Hastings's *Seagulls Over Sorrento* to well-known mega hits such as *The Mousetrap* and *The Phantom of the Opera*. Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature. By contrast Sierz demonstrates that genres such as the British musical, light comedy, sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people. The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life. The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre.
