Meet Doctor Kettering:

Democracy, Civic Engagement, and Citizenship in Higher Education William V. Flores, Katrina S. Rogers, 2019-05-24 In the most recent Democracy Index the Economic Intelligence Unit downgraded the United States from a full democracy to a flawed democracy Democracy Civic Engagement and Citizenship in Higher Education takes a hard look at the state of American democracy today through the lens of one of the nation s most important actors colleges and universities Democracy is more than voting it includes a wide range of democratic practices and depends on a culture of civic participation Critical for strengthening democracy is the role that higher education leaders play in educating their constituencies about their responsibilities of citizenship During a period of time when higher education is under pressure to meet 21st century workforce needs the authors here exhort to remember the public mission of education to serve the needs of the democracy a government by the people means that the people must be ready to govern It is in this spirit that these stories are offered to show how institutions across the country are reclaiming and reinvigorating one of the essential pillars upon which American democracy is based
