Selected Letters Neil M. Gunn,1987 **The Complete Ink Trilogy (Inkheart, Inkspell, Inkdeath) ebook bundle** Cornelia Funke,2020-05-07 The complete New York Times bestselling Inkheart series by Cornelia Funke Meggie s father Mo has an amazing secret when he reads aloud words come alive Suddenly Meggie is living the kind of adventure she has only read about *Inkheart (Inkheart Trilogy, Book 1)* Cornelia Funke,2011-10-01 From internationally acclaimed storyteller Cornelia Funke this bestselling magical epic is now out in paperback One cruel night Meggie s father reads aloud from a book called INKHEART and an evil ruler escapes the boundaries of fiction and lands in their living room Suddenly Meggie is smack in the middle of the kind of adventure she has only read about in books Meggie must learn to harness the magic that has conjured this nightmare For only she can change the course of the story that has changed her life forever This is INKHEART a timeless tale about books about imagination about life Dare to read it aloud **A Sparrow's Flight** Margaret Elphinstone,1989 In *A Sparrow s Flight* her second novel first published in 1989 Margaret Elphinstone is already occupying her characteristic location on the borderlands which were to become familiar territory in her subsequent writing The novel is set in the debatable lands between Scotland and England but explores more elusive borders between waking and dreaming sanity and madness myth and reality and the unsettling landscape between our imagined pasts and hoped for futures Thomas and Naomi are on a journey through a world that has experienced catastrophic change Early reviewers writing amid the Cold War placed the story in the aftermath of nuclear holocaust The author offers no such certainty The plaintive but unexplained references to before the world changed resonate with a menace all the more unnerving in its ambiguity Through this regenerating landscape the previously blighted empty lands Thomas and Naomi find their journey turns full circle returning them to their starting point as changed people with new understandings of friendship and belonging As with every quest there is a grail and their grail is music Its rediscovery is a metaphor for that Golden Age we all need to believe existed before the world changed powerfully convincing in its blend of medievalism and post modern disillusion Douglas Gifford
