K. Ramakrishnan,Mehera Bābā,1992 The Who and Philosophy Rocco J. Gennaro,Casey Harison,2016-06-23 The Who were one of the most memorable and influential of the 1960s British Invasion bands memorable because of their loudness and because they destroyed instruments during performances and influential because of their success in crafting Power Pop singles like My Generation and I Can See for Miles long playing albums Live at Leeds and Who s Next and the rock operas Tommy and Quadrophenia The themes that principal songwriter Pete Townshend imparted into The Who s music drew upon the group s mostly working class London upbringings and early Mod audiences frustration angst irony and a youthful inclination to lash out Like some of his rock and roll contemporaries Townshend was also affected by religious ideas coming from India and the existential dread he felt about the possibility of nuclear war During a career that spanned three decades The Who gave their fans and rock critics a lot to think about The remarkable depth and breadth of The Who s music and their story as one of the most exciting and provocative rock bands over the last half century are the subjects of the philosophical explorations in this collection The Awakener ,1958 BE A LIGHT UNTO YOURSELF Dr Anu Dhawan,2022-07-04 I was acquainted with the name of Meher Baba when as a kid I heard my grandfather Dr Hira Lall Chopra often mention his name as a spiritual awakener of the twentieth century who lived in Ahmednagar It was recently that in the course of my study on the spiritual world and on spiritualism I came across the name of Meher Baba His name not only evoked my childhood memories but also spurred me on to undertake deeper study to gain insight into the life and achievements of Meher Baba In the course of this pursuit I also went to Avatar Meher Baba Centre New Delhi The Centre was very helpful in providing information and reading material on the life and teachings of Meher Baba I must admit that on studying the available material on the life and achievements of Meher Baba I was wonderstruck as to how an ordinary person leading an ordinary life by a twist of fate not only realized spirituality but also turned into an ardent spiritual awakener for

the rest of mankind in this predominantly materialistic world Man is essentially a spiritual being and in my opinion requires material gains only for peaceful existence in order to achieve his objective of spirituality and come closer to his Creator God But in pursuit of material gains men at large tend to distance themselves from spirituality and thus from God For those who earnestly seek spirituality I feel the teachings of Meher Baba can help them to achieve their objective It is for this reason that I have penned down my findings and thoughts in the form of this book on the life and teachings of Avatar Meher Baba which may help all those who seek spirituality and God consciousness Dr ANU DHAWAN NEW DELHI July 2014 **Meher Baba**,1941 **Meher Baba** Meher Baba,1941 *The Wisdom of Meher Baba with Interpretive Verse* Ruth White,1957 *The Wisdom of Meher Baba* Meher Baba,1963 **Encyclopedia of Religious and Spiritual Development** Elizabeth M.
