As fiddling is an aural tradition and fiddlers from different parts of the country play a given tune in many ways, tunes included in this book are offered only as themselves. The author has attempted to present usable fingerings, bowings, and explanations of each of the 49 tunes in this book. The end result is the most widely used fiddle method available. The CD is in split track format, allowing the fiddler to play with the fiddle solo, guitar, and/or fiddle accompaniment, or both. Contains every tune in the book.
