Mildred Pierce:

Mildred Pierce James M. Cain, 2010-12-29 In *Mildred Pierce* noir master James M Cain creates a novel of acute social observation and devastating emotional violence with a heroine whose ambitions and sufferings are never less than recognizable Mildred Pierce had gorgeous legs a way with a skillet and a bone deep core of toughness She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class But Mildred also had two weaknesses a yen for shiftless men and an unreasoning devotion to a monstrous daughter

Mildred Pierce Randal MacDougall, 1980 Mildred Pierce had gorgeous legs a way with a skillet and a bone deep core of toughness She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class But Mildred also had two weaknesses a yen for shiftless men and an unreasoning devotion to a monstrous daughter

Mildred Pierce William Faulkner, Margaret Gruen, Randal MacDougall, Albert Maltz, Margaret Buell Wilder, Thames Williamson, 1945

Mildred Pierce James Mallahan Cain, 2002 Mildred Pierce is the story of a determined and ambitious woman who after her feckless husband abandons her by hard work and sacrifice builds a successful business to ensure the future of her pampered and selfish daughter But she isn't prepared for the intrigues and devastating betrayals of those closest to her This is James M Cain's most substantial novel and a classic of the Depression years

Joan Crawford: The Essential Biography Lawrence J. Quirk, Joan Crawford The *Essential Biography* explores the life and career of one of Hollywood's great dames She was a leading film personality for more than fifty years from her beginnings as a dancer in silent films of the 1920s to her portrayals of working class shop girls in the Depression thirties to her Oscar winning performances in classic films such as *Mildred Pierce* Crawford's legacy has become somewhat tarnished in the wake of her daughter Christina's memoir *Mommie Dearest* which turned her into a national joke Today many picture Crawford only as a wire hanger wielding shrew rather than the personification of Hollywood glamour This new biography of Crawford sets the record straight going beyond the gossip to find the truth about the legendary actress The authors knew Crawford well and conducted scores of interviews with her and many of her friends and co-stars including Frank Capra George Cukor Nicholas Ray and Sidney Greenstreet Far from a whitewash Crawford was indeed a colorful and difficult character Joan Crawford corrects many lies and tells the story of one of Hollywood's most influential stars complete with on set anecdotes and other movie lore Through extensive interviews in depth analysis and evaluation of her films and performances both successes and failures Lawrence J Quirk and William Schoell present Crawford's story as both an appreciation and a reevaluation of her extraordinary life and career Filled with

new interviews Joan Crawford tells the behind the scenes story of the Hollywood icon Lawrence J Quirk is the author of many books on film including Bob Hope The Road Well Traveled William Schoell is the author of several entertainment related books including Martini Man The Life of Dean Martin Mildred Pierce [pressbook], 1945 *Nichols* Bill Nichols, 1985

The Novel and the American Left Janet Galligani Casey, 2004-06 The first collection of critical essays to focus specifically on the fiction produced by American novelists of the Depression era The Novel and the American Left contributes substantially to the newly emerging emphasis on twentieth century American literary radicalism Recent studies have recovered this body of work and redefined in historical and theoretical terms its vibrant contribution to American letters Casey consolidates and expands this field of study by providing a more specific consideration of individual novels and novelists many of which are reaching new contemporary audiences through reprints The Novel and the American Left focuses exclusively on left leaning fiction of the Depression era lending visibility and increased critical validity to these works and showing the various ways in which they contributed not only to theorizations of the Left but also to debates about the content and form of American fiction In theoretical terms the collection as a whole contributes to the larger reconceptualization of American modernity currently under way More pragmatically individual essays suggest specific authors texts and approaches to teachers and scholars seeking to broaden and or complicate more traditional American modernism syllabi and research agendas The selected essays take up among others such hard core leftist writers as Mike Gold and Myra Page who were associated with the Communist Party the popular novels of James M Cain and Kenneth Fearing whose works were made into successful films and critically acclaimed but nonetheless lost novelists such as Josephine Johnson whose *Now in November* Pulitzer Prize 1936 anticipates and complicates the more popular agrarian mythos of Steinbeck s *The Grapes of Wrath* This volume will be of interest not only to literary specialists but also to historians social scientists and those interested in American cultural studies **White Diaspora** Catherine Jurca, 2011-11-28 This is the first book to analyze our suburban literary tradition Tracing the suburb s emergence as a crucial setting and subject of the twentieth century American novel Catherine Jurca identifies a decidedly masculine obsession with the suburban home and a preoccupation with its alternative the experience of spiritual and emotional dislocation that she terms homelessness In the process she challenges representations of white suburbia as prostrated by its own privileges In novels as disparate as *Tarzan* written by Tarzana California real estate developer Edgar Rice Burroughs *Richard Wright s Native Son* and recent fiction by John Updike and Richard Ford Jurca finds an emphasis on the suburb under siege a place where the fortunate tend to see themselves as powerless From *Babbitt* to *Rabbit* the suburban novel casts property owners living in communities of their choosing as dispossessed people Material advantages become artifacts of oppression and affluence is fraudulently identified as impoverishment The fantasy of victimization reimagines white flight as a white diaspora Extending innovative trends in the study of nineteenth century American culture Jurca s analysis suggests that self pity has

played a constitutive role in white middle class identity in the twentieth century It breaks new ground in literary history and cultural studies while telling the story of one of our most revered and reviled locations the little suburban house at number one million and ten Volstead Avenue that Edith Wharton warned would ruin American life and letters

Reframing Todd Haynes Theresa L. Geller, Julia Leyda, 2022-02-07 For three decades award winning independent filmmaker Todd Haynes who emerged in the early 1990s as a foundational figure in New Queer Cinema has gained critical recognition for his outsider perspective Today Haynes is widely known for bringing women s stories to the screen Analyzing Haynes s films including *Safe* 1995 *Velvet Goldmine* 1998 *Far from Heaven* 2002 and *Carol* 2015 as well as his unauthorized Karen Carpenter biopic *Superstar* 1987 and the television miniseries *Mildred Pierce* 2011 the contributors to *Reframing Todd Haynes* reassess his work in light of his long standing feminist commitments and his exceptional career as a director of women s films They present multiple perspectives on Haynes s film and television work and on his role as an artist activist who draws on academic theorizations of gender and cinema The volume illustrates the influence of feminist theory on Haynes s aesthetic vision most evident in his persistent interest in the political and formal possibilities afforded by the genre of the woman s film The contributors contend that no consideration of Haynes s work can afford to ignore the crucial place of feminism within it Contributors Danielle Bouchard Nick Davis Jigna Desai Mary R Desjardins Patrick Flanery Theresa L Geller Rebecca M Gordon Jess Issacharoff Lynne Joyrich Bridget Kies Julia Leyda David E Maynard Noah A Tsika Patricia White Sharon Willis

Women's Film and Female Experience, 1940-1950 Andrea Walsh, 1986-09-10 *Women s Film and Female Experience* takes a fresh look at a wide range of popular women s films in order to discover what American female consciousness in the 1940s was really about The author traces the evolution and development of the Hollywood women s film and describes the social history of American women in the 1940s She then analyzes dominant narrative patterns within popular women s films of the decade the maternal drama the career woman comedy and the films of suspicion and distrust

Mildred Pierce Catherine Turney, 1945 *Literature into Film* Linda Costanzo Cahir, 2014-12-24 For most people film adaptation of literature can be summed up in one sentence The movie wasn t as good as the book This volume undertakes to show the reader that not only is this evaluation not always true but sometimes it is intrinsically unfair Movies based on literary works while often billed as adaptations are more correctly termed translations A director and his actors translate the story from the written page into a visual presentation Depending on the form of the original text and the chosen method of translation certain inherent difficulties and pitfalls are associated with this change of medium So often our reception of a book based movie has more to do with our expectations and reading of the literature than with the job that the movie production did or did not do Avoiding these biases and fairly evaluating any particular literary based film takes an awareness of certain factors Written with a formalistic rather than historical approach this work presents a comprehensive guide to literature based films establishing a contextual and theoretical basis to help the reader understand the relationships between

such movies and the original texts as well as the reader's own individual responses to these productions. To this end it focuses on recognizing and appreciating the inherent difficulties encountered when basing a film on a literary work, be it a novel, novella, play, or short story. Individual chapters deal with the specific issues and difficulties raised by each of these genres, providing an overview backed up by case studies of specific film translations. Films and literary works receiving this treatment include *The Unbearable Lightness of Being*, *The Manchurian Candidate* (1962), *Lady Windemere's Fan* by Oscar Wilde, and Shakespeare's *Henry V*. Interspersed throughout the text are suggestions for activities the film student or buff can use to enhance his or her appreciation and understanding of the films. Instructors considering this book for use in a course may request an examination copy here: [American Literature on Stage and Screen](#) Thomas S. Hirschak, 2014-01-10. The 525 notable works of 19th and 20th century American fiction in this reference book have many stage, movie, television, and video adaptations. Each literary work is described, and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium. In addition to famous novels and short stories by authors such as Nathaniel Hawthorne, F. Scott Fitzgerald, and Willa Cather, many bestsellers, mysteries, children's books, young adult books, horror novels, science fiction, detective stories, and sensational potboilers from the past two centuries are examined.
