**Making and Collecting Military Miniatures** Bob Bard,2011-10-01     **AK914 - MODELING T54 - T55 EN** , MiniArt's first collaboration with AK Interactive brings as a result this fantastic book backed by the quality and originality of both brands This book covers the scale models of this iconic tank and the new MiniArt models showing 6 extensive and amazing step by step articles and numerous curiosities of the different versions and evolutions A book that a modeler can't miss even if you are not a fan of this tank The T 54 and T 55 are a family of tanks designed in the Soviet Union descendants of the armored vehicles used during the II WW by this ancient power The T 55 is sibling of the T 54 which was developed from this with a series of important modifications and that saw the light in 1955 Basically it is actually an improvement of the T 54 which was decided to change its name for some reason but that retains so much of the initial design that it should have been a T 54 with its bullet corresponding to the revised version One of the most important improvements offered by the T 54 55 with respect to the old tanks was the incorporation of the 100mm cannon that some units of the T 44 already introduced The hull is formed by welded plates and the tower is made of cast iron This is how the best modeling book oriented to these iconic tanks begins     *Boys' Life* ,1997-01 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting     **Military Miniatures Product List** Miniature Figurines, Ltd,     **Library of Congress Subject Headings** Library of Congress,Library of Congress.
