Mill Town:

Milltown Milltown Centennial Committee, 1995 Occupying only 1.6 square miles in central New Jersey the town of Milltown has seen the surrounding area change from rolling farmland into a home from industry commerce business and suburban developments In one hundred years the town has shared the changes that have come to Middlesex County and yet still maintained that old fashioned small town feeling Those who have spent their lives here and those who have come to adopt Milltown as their own will find in this book snapshots which together take us on a journey through Milltown's history from the days of Bergen's Mill and trolley cars through the arrival and departure of the Michelin Tire Company and all the way up to the 1960s The human side of town's rich and diverse history is also well documented with images of the famous Milltown tranquilizers the diner and the old swimming hole

Soapbox Rebellion Matthew S. May, 2013-10-30 Soapbox Rebellion a new critical history of the free speech fights of the Industrial Workers of the World IWW illustrates how the lively and colorful soapbox culture of the Wobblies generated novel forms of class struggle From 1909 to 1916 thousands of IWW members engaged in dozens of fights for freedom of speech throughout the American West The volatile spread and circulation of hobo agitation during these fights amounted to nothing less than a soapbox rebellion in which public speech became the principal site of the struggle of the few to exploit the many While the fights were not always successful they did produce a novel form of fluid union organization that offers historians labor activists and social movement scholars a window into an alternative approach to what it means to belong to a union Matthew May coins the phrase Hobo Orator Union to characterize these collectives Soapbox Rebellion highlights the methodological obstacles to recovering a workers history of public address closely analyzes the impact of hobo oratorical performances and discusses the implications of the Wobblies free speech fights for understanding grassroots resistance and class struggle today in an era of the decline of the institutional business union model and workplace contractualism
