## **Mind The Door:**

*The Mind's Door* Cassandra Morphy, 2021-03-01 Maya San Lucas had been lost in her dreamworld for the better part of five years Desparia was just a fantasy world for her to explore during stretches of boredom at school and at home Going to that world let her have adventures exploring secret locations and searching through towns and cities for loot to come away with The life of a thief was so much more exciting than high school especially with no friends to speak of When she met the three women outside the tavern everything changed While she never seemed to have much control over her daydreamed world her skills had always been there to help her through it But as they gradually faded Maya was forced to tag along with the group as they stormed the fortified home of the emperor Their plan was to kill him but Maya just wanted to make it out of there alive Perhaps with a few items of worth along the way After all what was the point in breaking into a place without coming away with some loot It all started so innocently when Maya had first started going to Desparia All she wanted out of life was not to be lost and alone as she started out in middle school But when her father died unexpectedly and her friends abandoned and ostracized her the only way that she could turn was inward Inward to the world just on the other side of her mind

**The Truth Taught by All the Buddhas** Bhikkhu Revata, 2016-12-16 The Buddha of this era and the Buddhas of past eras have all taught only two kinds of truths and nothing more than these I have taught the Dhamma that I myself have directly penetrated All the Dhamma I taught between the day I became enlightened and the day I took final Nibbana all the Dhamma I have taught are true There is nothing I have taught which is untrue I have not taught a Dhamma which you cannot practise Sa jaya Belatthiputta replied All the wise will go to the Buddha The fools will come to me Do not worry A person can poison others but the Dhamma will never poison anyone Depend on the Dhamma then and not on the person Mentality does not originate in the brain In fact there is not the slightest trace of mentality in the brain
