and passions into a fully operational business without hiring a team spending a fortune or getting stuck in complicated tech. You AI becomes a one person startup powerhouse capable of everything from brainstorming ideas to writing your website copy, crafting irresistible offers, running marketing campaigns, and even generating professional business plans. Every step comes with simple, actionable AI prompts so you can do it fast and confidently. You'll start by clarifying exactly what success means for you: income goals, lifestyle preferences, and work-life balance, and let AI help map the fastest path to get there. Next, you'll uncover business ideas that actually have demand, choose the business model that fits your strengths, and build a brand that resonates with your ideal customers. From there, AI guides you through creating a one-page business plan in under 20 minutes or even a full investor-ready plan if you're ambitious. But this isn't just theory. You'll learn how to build a website from scratch without coding while AI writes all your copy. Craft offers your audience truly wants with messaging that converts. Launch marketing campaigns on a zero-dollar budget with content scheduled and ready. Sell confidently without feeling salesy using AI-generated scripts. Deliver your product or service smoothly and professionally. Scale your business smartly when the timing and resources are right. Maintain long-term momentum and avoid burnout all while staying consistent. Every chapter is a hands-on demo showing you exactly how to use AI tools to do the work so you spend your time focusing on decisions and strategy, not tedious tasks. Whether you're starting a side hustle, building a full-time business, or just exploring new opportunities, this guide takes you from zero to launch day and beyond with clarity, confidence, and speed. By the end of the book, you won't just have a business idea; you'll have a fully mapped, AI-assisted business ready to grow, make money, and scale all while you retain full control and freedom. No guesswork. No paralysis. Just step-by-step guidance that makes building your dream business not only possible but practical. The AI startup era is here. It's time to stop waiting and start building. You don't need a huge team, a big budget, or years of experience; you just need a plan, your skills, and your AI partner. This book shows you how to bring it all together.

About the Author: My name is Meir Liraz, though you'll find this book under my pen name Tom Bert. I write the AI for Entrepreneurs series, combining decades of real-world experience with today's smartest tools. For over 30 years, I've built businesses, guided entrepreneurs, and explored nearly every corner of the small business world. Along the way, I've learned what works, what doesn't, and how to help others succeed faster. My goal is simple: to make entrepreneurship clearer, smarter, and more accessible for everyday folks. As far as entrepreneurship goes, I've been there, done that, and now I'm here to share what really works.
