went to the show You will hear from non Deadhead Cornell graduates who were responsible for putting on the show in the first place You will hear from record executives academics scholars Dead family members tapers traders and trolls You will hear from those who still live the Grateful Dead every day You will hear from those who would rather keep their Grateful Dead passions private for reasons both personal and professional You will hear stories about the early days of being a Deadhead and what it was like to attend and perhaps record those early shows including Cornell 77   Canadiana ,1982
