

The background of the slide is a historical map, likely a celestial or geographical map, with a wooden gnomon casting a shadow over it. The map features various geographical labels and a grid of lines. The gnomon is a vertical wooden rod with a horizontal arm at the top, used for measuring the sun's angle. The shadow is cast across the map, indicating the time of day. The map has a yellowish-brown hue, suggesting it is an old document. The gnomon is positioned on the left side of the map, and its shadow extends towards the right. The map shows a curved horizon line and various labels in a historical script, possibly Latin or Greek. The overall scene is set against a dark background, which makes the map and the gnomon stand out.
