Program Evaluation In Human Services:

Program Evaluation in Human Services Michael J. Smith, 2004-01-01 It is a rare occurrence to read an introductory text written by an accomplished practitioner in which the essentials are identified and addressed and the temptations to pursue the subject in depth appropriately avoided The resulting product is enlightening to the sophisticater as well as to the novice Harold Smith Dean Hunter College School of Social Work **Program Evaluation in the Human Services** Robert O. Washington, 1980 **Handbook of Program Evaluation for Social Work and Health Professionals** Michael J. Smith, 2010-01-21 Evaluation is crucial for determining the effectiveness of social programs and interventions In this nuts and bolts handbook social work and health care professionals are shown how evaluations should be done taking the intimidation and guesswork out of this essential task Current perspectives in social work and health practice such as the strengths perspective consumer empowerment empowerment evaluation and evidence based practice are linked to evaluation concepts throughout the book to emphasize their importance This book makes evaluation come alive with comprehensive examples of each different type of evaluation such as a strengths based needs assessment in a local community a needs assessment for Child Health Plus programs comprehensive program descriptions of HIV services and community services for the aged a model for goals and objectives in programs for people with mental illness a monitoring study of private practice social work and process evaluations of a Medicare advocacy program and a health advocacy program to explain advance directives Equal emphasis is given to both quantitative and qualitative data analysis with real examples that make statistics and concepts in qualitative analysis un intimidating By integrating both evaluation and research methods and assuming no previous knowledge of research this book makes an excellent reference for professionals working in social work and health settings who are now being called upon to conduct or supervise program evaluation and may need a refresher on research methods With a pragmatic approach that includes survey design data collection methods sampling analysis and report writing it is also an excellent text or classroom resource for students new to the field of program evaluation Human Services Program Evaluation Thomas Barrett, James Sorensen, 2015 The term outcome evaluation has become one of the most popular terms among human service providers and those whose job it is to evaluate the impact of human service programs In the public sector alone there are over a hundred instruments in use to evaluate the impact of state human service programs Most states many providers and most accrediting bodies have taken on the challenge of developing better program evaluation because there is universal agreement that better evaluation systems are needed This multiplicity of approaches may have been appropriate for the early stages of development but eventually some standardization is necessary This program evaluation discusses the following topics as a means to inform and guide sound policy and practice decision making 1 Why Do You Need to Know about Program Evaluation 2 Getting Started 3 Needs Assessments 4 Client Outcomes and Costs in Human Services Organizations 5 Financial Management in Human Services

Organizations 6 Special Programs in Program Evaluation 7 Research Designs in Program Evaluation 8 Implementation and Maintenance of Program Evaluation and 9 Role of the Evaluator Individual chapters contain appendices and references

Program Evaluation Emil J. Posavac, Raymond G. Carey, 2007 Describes programme evaluation as an activity that organisations do to find out how well human services serve people in need Demonstrates that evaluations are performed for a variety of reasons and when conducted cooperatively can serve to improve programs and thus quality of life Uses case studies to illustrate different uses of program evaluations

Program Evaluation in the Human Services Michael J. Smith, 1990 *Federal Program Evaluations* United States. General Accounting Office. Office of Program Analysis, 1977 Contains an inventory of evaluation reports produced by and for selected Federal agencies including GAO evaluation reports that relate to the programs of those agencies

Evaluation Models D.L. Stufflebeam, George F. Madaus, T. Kellaghan, 2005-12-19 This is an up to date revision of the classic text first published in 1983 It includes a historical perspective on the growth of evaluation theory and practice and two comparative analyses of the various alternative perspectives on evaluation It also includes articles representing the major schools of thought about evaluation written by the leaders who have developed these schools and models The final section describes and discusses the Standards for Program Evaluation and the reformation of program evaluation

Evaluation of Human Service Programs C. Clifford Attkisson, 1977 Textbook on evaluation and methodology of social service programmes discusses research programmes management information systems assessment of community needs and programme planning use of social indicators citizen surveys cost benefit analysis other evaluation techniques etc Flow charts graphs references and tables

The Evaluation of Human Service Programs William F. Theobald, 1985 This guidebook attempts to acquaint the recreation programmer with the importance of evaluation and of techniques of evaluation Written with both the practitioner and the college student in mind the book covers the need for evaluation the purposes of evaluation types of evaluation design of evaluation and how to implement results of an evaluation

Journal of Human Services Abstracts, 1978 Pragmatic Program Evaluation for Social Work Allen Rubin, 2020-07-23 This textbook balances methodological rigor with the practicalities of becoming a successful evaluator in service oriented settings

Program Evaluation in the Public Sector Brenda J. Davis Rowe, 1983 **Human Services** Wayne A. Kimmel, 1981 Evaluating Health and Human Service Programs in Community Settings Joseph Telfair, Laura C. Leviton, Jeanne S. Merchant, 1999-11-17 The key difference between community based evaluation and other types of evaluation lies in understanding and accommodating the unique situations of communities their leadership their social and political climates and their perception of needs This volume of *New Directions for Evaluation* examines how to improve approaches to evaluation in community organizations emphasizing the need to assess the fit between evaluators skills and styles and the cultural reality of communities The author experienced evaluators and community based program leaders describe choices about evaluation practice that are available to the evaluator the program and the community They

also present an effective evaluation prescreening tool which has been successfully used to match evaluation plans with particular community program evaluation needs resources and commitments This is the 83rd issue of the quarterly journal *New Directions for Evaluation* Program Evaluation Robert L. Schalock, C.V.D. Thornton, 1988-07-31 This book is written to help human service program administrators either in interpret or conduct program evaluations Our intended audience includes administrators and those students being trained for careers in human services administration Our focus is on persons interested in assessing programs in which people work with people to improve their condition The book's title *Program Evaluation A Field Guide for Administrators* describes how we hope you use this book as a tool In writing the book we have attempted to meet the needs of persons who have to conduct program evaluations as well as those who must use those evaluations Hence we have attempted to make the book user friendly You will find for example numerous guidelines cautions and specific suggestions Use the book actively Our primary motive is to help administrators make better decisions In fact the primary reason for program evaluation is to help program administrators make good decisions These decisions often must balance the goals of equity or fairness in the distribution of goods and services among people in the economy efficiency obtaining the most output for the least resources and political feasibility Take for example the administrator who must decide between a new program favored by some of the program's constituents and maintaining the status quo which is favored by other constituents *Federal Program Evaluations. 1976-77*, 1977 *Human Service Education*, 1999

Current Perspectives on Program Evaluation in Human Services Agencies; Proceedings University of Texas at Austin. Center for Social Work Research, 1978 *Management of Human Service Programs* Judith A. Lewis, Michael D. Lewis, Federico Souflée, 1991 Providing a concise easy to understand and highly practical framework for addressing human service management this book helps students understand why practitioners must also be good policy analysts and managers and helps them develop the skills and knowledge they need By demonstrating the relationship between management and doing counseling or social work the authors help readers focus on critical issues in administration management and policy

Program Evaluation In Human Services Introduction

In today's digital age, the availability of Program Evaluation In Human Services books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Program Evaluation In Human Services books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Program Evaluation In Human Services books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Program Evaluation In Human Services versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Program Evaluation In Human Services books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Program Evaluation In Human Services books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Program Evaluation In Human Services books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Program Evaluation In Human Services books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Program Evaluation In Human Services books and manuals for download and embark on your journey of knowledge?
