Reality Of The Resurrection:

The Reality of the Resurrection Merrill Chapin Tenney,2012-06-01 **The Reality of the Resurrection** Stefan Alkier,2013-10 In *The Reality of the Resurrection* Stefan Alkier bridges the chasm between history and theology Through a patient historical canonical and hermeneutical study Alkier demonstrates that the resurrection of Jesus is inextricably bound to the general eschatological resurrection of the dead Jesus resurrection is no isolated miracle but is instead the crucial disclosure of the nature of reality the identity of God and the destiny of human beings Interpretation of Jesus resurrection is thus necessarily and unavoidably both historical and theological Alkier accomplishes three tasks Through a descriptive exegetical survey of New Testament rhetoric he locates the resurrection of the Crucified One within a distinct narrative world Alkier then employs the semiotics of C S Peirce to develop a creative epistemology that avoids propositional literalism and modernist reductionism Alkier finally outlines how resurrection impacts Christian praxis *The Reality of the Resurrection* witnesses to that which Paul names as of first importance not only for the early Christian communities but also for the shaping of our communities today **REALITY OF THE RESURRECTION** Ross Thompson,2018-06-13 The reality of the resurrection of Jesus Christ no resurrection no salvation the resurrection destroyed the devil are the first three chapters of this book The book is a compilation of more articles written by the author for faith filled family magazine Anecdotes stories and good Bible info are plentiful Each chapter is a stand alone discussion of a separate topic That means it won t be boring and you will have a quality quick read [Knowing the Truth About the Resurrection](#) John Ankerberg,John Weldon,2011-04-06 Throughout history people have tried to discredit Christianity by disputing the claim that Jesus Christ died and rose from the dead Is there evidence so persuasive that after careful evaluation skeptics and critics will realize the truth of the resurrection Unequivocally yes Join in this exploration of the events surrounding the resurrection including The historical and logical evidence supporting Christ s resurrection The accuracy and precision of Jesus predictions The resurrection s unequaled impact on the world This booklet provides a clear concise look at the resurrection It gives you the opportunity to understand and examine the evidence that is the foundation for biblical Christianity **The Reality of the Resurrection** Merrill C Tenney,2020-05-08 Ever since the apostles of Christ invaded the Roman world with the gospel the Christian church has been endeavoring to formulate its theology in language relevant to the times The essential truth of divine revelation remains unchanged for God is eternally the same but the problems and fashions of human thought vary from century to century Each succeeding period demands some new adjustment discarding the phraseology of the past and adopting eagerly the current formulas that seem more significant In this creedal flux the definition of Christianity often seems to be dependent upon the terms of the latest philosophy that it encounters During the Middle Ages Thomas Aquinas attempted to combine Biblical truth with Aristotelian reasoning Later Immanuel Kant s philosophy led to the theology of Schleiermacher and Harnack and today existentialism wields a powerful influence over Barth Brunner and Bultmann Is there

any inherent principle or symbol by which the gospel can be defined without resorting to extraneous forms The author believes that the resurrection of Christ can supply the framework for Christian theology because it marks the intersection of the temporal and eternal worlds of material existence and spiritual life Because the event is supernatural it expresses the essence of God's revelation because it is historical it is a genuine part of human experience The resurrection is a permanent witness to the love power holiness and redemptive purpose of God and is also a fact which must be accepted as part of history It cannot be dismissed as a speculative venture of the intellect which is possibly but not necessarily true

The Third Day Hank Hanegraaff, 2003-02-09 A study of the historical details surrounding Christ's death and resurrection covering Jesus's fatal torment empty tomb appearances and transformation The foundation of Christian faith the resurrection of Jesus Christ is defended in detail in this powerful work from author Hank Hanegraaff's bestseller Resurrection Factual evidences are examined from the fatal torment and empty tomb to Christ's appearances and transformation Believers will find this chronicle of immense help in defending their faith with tangible proof and in terms the secular world can appreciate and understand Not merely a shield for spiritual battle this book is a torch to arm Christians with a convincing case study of the resurrection of Jesus Christ As Joni Eareckson Tada said Hands down slam dunk the resurrection is the bottom line for the believer Hank leaves no stone unturned thoroughly portraying the resurrection as our grand hope the glorious springboard from which we will dive into eternity With laser beam focus Hank zeroes in on the most convincing facts that back up Jesus's death his empty tomb his post resurrection appearances and the subsequent transformation of those who encountered him What's more he answers the so what question by demonstrating the relevance of the Resurrection to every individual and even to the cosmos itself Lee Strobel bestselling author of The Case for Christ *Closer Look at the Reality of the Resurrection* Bob George, 1992-07

Resurrection John Shelby Spong, 2009-10-13 Resurrection is an innovative examination of the foundational event of Christianity and an inspiring vision for reconciliation between Jews and Christians Using approaches from the Hebrew interpretive tradition to discern the actual events surrounding Jesus's death Bishop John Shelby Spong questions the historical validity of a literal narrative concerning the Resurrection However Spong is not searching for the historical Jesus either he asserts that the Resurrection story was born in an experience that opened the disciples's eyes to the reality of God and the meaning of Jesus of Nazareth To fully understand the meaning of the Resurrection it must be approached in the style of the midrash or teaching tale Spong goes on to trace the Christian origins of anti-Semitism to the Church's fabrication of the ultimate Jewish scapegoat Judas Iscariot He affirms the inclusiveness of the Christian message and emphasizes the necessity of mutual integrity and respect among Christians and Jews John Shelby Spong was the Episcopal Bishop of Newark before his retirement in 2000 As a leading spokesperson for an open scholarly and progressive Christianity Bishop Spong has taught at Harvard and at the Graduate Theological Union in Berkeley California His books include A New Christianity for a New World Rescuing the Bible from Fundamentalism Resurrection

Alive Gabriel N. E. Fluhrer, 2020 In our secular age there is perhaps no claim more stupendous than that Jesus Christ rose from the grave for this claim introduces an unacceptable supernaturalism into the culture's materialist worldview Yet the resurrection of Jesus Christ is at the center of the Christian religion From the earliest days of the faith Christians proclaimed that Christ was risen and not only that but His resurrection means something In *Alive* How the Resurrection of Christ Changes Everything Dr Gabriel N E Fluhrer demonstrates that there is good reason to believe in the resurrection of Jesus Christ He explores the evidence for the resurrection rebuts popular arguments against it and provides application for Christians in a hostile culture Dr Fluhrer begins by surveying the current landscape of ideas when it comes to the resurrection focusing especially on the arguments of Bart Ehrman of the University of North Carolina Chapel Hill He goes to sketch out some plausibility structures for the historical reality of Christ's resurrection including the marked change seen in the Apostles Next he provides an overview of the Bible's testimony concerning the resurrection beginning in the Old Testament and continuing with an examination of the Gospels Acts and the rest of the New Testament Finally Dr Fluhrer concludes with some applications regarding how understanding the reality of the resurrection bears on the Christian life

Did Jesus Rise from the Dead? Matthew Levering, 2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the

Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened The Two Worlds ,1926 **The Miracles of Unbelief** Frank Ballard,1900

Christian Evidences Viewed in Relation to Modern Thought Charles Adolphus Row,1891 **A Short History of Christianity in the Apostolic Age** George Holley Gilbert,1906 The aim of this book is to furnish Bible students a guide and companion in their investigation of the Apsotolic age It has been written with a conviction that the simple facts about the Gospel in the first Christian generation are an interesting as a great imaginative poem as essential to a liberal education as a knowledge of Greek history in the time of Pericles or of English history in the reign of Henry VIII and more inspiring more illuminating as regards the very spirit of Jesus than the facts of any subsequent period in the long history of the Christian Church Preface **The Latter-Day Saints' Millennial Star** Parley Parker Pratt,1905 *Christian Evidence Viewed in Relation to Modern Thought. Eight Lectures Preached Before the University of Oxford in the Year 1877 on the Foundation of the Late Rev. John Bampton, M.A., Canon of Salisbury* Charles Adolphus Row,1877 *The Standard* ,1903 **The Freethinker** ,1914 *Institutes of the Christian Religion* Emanuel Vogel Gerhart,1894
