Rebuilding Hope Jessie G, When Crowley becomes the Zenith his Kindred was born to love their enemies will learn that there's nothing more dangerous than fated mates Holden Bancroft was born with a better than average brain and not much else Often described as strange and sickly his attempts to conform only made him look foolish and a life-long diet of pills hasn't provided a cure Deciding to strengthen the only tool in his arsenal was liberating and learning became his greatest joy But each episode is another reminder that his time is limited and Holden intends to use everything he's learned to help the small town of Hope before he dies Alpha Crowley Lomond Zenith of the Americas isn't exactly happy with his ascension Leading isn't the problem it's acting like he's somehow better than every other shifter that chafes But while living and working beside them may seem noble Crowley is more than just an alpha As Zenith he's their example their teacher and guide and the one they will turn to when their way of life is threatened Meeting changes them in ways they never could have predicted and unveils a web of deceit that began long before they were born Together they will have to unravel the lies and reconcile the consequences if they are to protect the shifter way of life Along the way Crowley will become the Zenith his Kindred was born to love and their enemies will learn that there's nothing more dangerous than fated mates

My Hope Is Built Lorna Brown, 2018-11-14 You stand at the altar and repeat the wonderful words of the marriage vows As you exit the church a congregation of loved ones and friends send up cheers of congratulations But now the marriage has fallen apart here you are separated perhaps even divorced And instead of applause you hear the sound of your tears and the footsteps of fear You feel hurt broken empty abandoned The shame of failing is so overwhelming that for a while you do an Oscar-winning job of faking for the loved ones even the congregation that all is well All the while the enemy is grabbing at your self-esteem and grabbing at your hope But with God there is no faking it He sees and knows it all even the thoughts and feelings you would like to

pretend you don't have The congregation may no longer be cheering for you but God is Rather than letting you spiral into hopelessness he cheers you on to hope again He heals he fills up the empty places in your heart and he comforts He restores hope No one rebuilds hope like God Why art thou cast down O my soul and why art thou disquieted within me hope thou in God for I shall yet praise him who is the health of my countenance and my God Psalms 42:11 KJV This book includes poetry devotionals and encouragement to strengthen you as you partner with God in rebuilding your hope Tears fears and jeers he hears them all and responds with cheer

Surviving the Church Amy Walker, 2012-04 To a person of faith the Church is the body of Christ created to extend God's love and grace here on earth What can seekers and believers do when life inside the Church habitually drives them to seek sanctuary in the arms of the world instead Countless people have experienced burnout and been subject to guilt trips and methods of manipulation in the name of ministry while their relationship with God suffers the consequences What can you do when you become disenchanted with God's people How can the Church win back the countless souls who have walked away in a desperate act of self preservation Is there a way to restore hope to your faith Believers seekers pastors leaders the burned out and the passionate are all invited to join the discussion If you have not suffered the soul crushing blows to your faith that can happen within the Church then chances are you know someone who has It is a life altering experience with eternal consequences Together we can learn to recognize the pitfalls that subtly creep into our congregations enabling us to intervene BEFORE it's too late Those who have already left the Church will see that all is not lost when their hope is in Jesus Christ As the disenchanted endeavor to rebuild their faith God will reveal a path to restoration and reconciliation Inside this book you will find among other things topics like Personal real life stories about faith changing experiences Insight about the descent into the cycle of burnout Exposure of common pitfalls within the Church such as guilt trips and manipulation tactics Biblical and practical steps the Church can take to help stem the tide of believers leaving the church over neglect abuse and offense Realistic suggestions for the disenchanted believer for moving forward in healing and restoration How the Church can recapture the hearts of the disenchanted
