*Virginia's Blues, Country, and Gospel Records, 1902-1943* Kip Lornell, 2021-12-14 During the years before World War II hundreds of traditional musicians were sought out by commercial record companies brought to New York or into local often makeshift studios to cut recordings that would be marketed as race and hillbilly music Virginia was home to scores of these performers several of whom were to become internationally known Among them were the Carter Family the Golden Gate Quartet Charlie Poole and the Stoneman Family whose music has touched millions of listeners far beyond the confines of the Old Dominion It is this historically important body of recordings from this unique period that forms the focus of Kip Lornell's study In it he combines biographical sketches and bibliographies of the artists and groups with comprehensive discographies of each covering not only the original 78 rpm issues but also American and foreign long play releases The entries incorporate new primary research and contemporary interviews with veterans of early recording sessions Numerous vintage photographs are also included some reproduced here for the first time

## **Developing an All-School Model for Elementary**

**Integrative Music Learning** Carol E. Reed-Jones, 2014-03 The purpose of this study was to investigate the potential for increasing informal music making in elementary school culture and create a model of such music making Precedence for this model can be found in the literature of ethnomusicology educational psychology and learning theory multicultural music education and cultural anthropology Literature from four distinct traditions and contexts of music making in integrative sociocultural contexts sub Saharan African ngoma and Community Music as manifested in New Orleans second lines old time music and dance and summer camp music making was parsed with a philosophical lens to determine and assess possible areas of intersection between these four participatory cultures and North American public school culture Each of these five areas was examined through a comprehensive review of literature to define their salient characteristics These characteristics were sorted to determine commonalities between areas and the zones of intersection became the basis for a speculative model of integrative music learning featuring the inclusion of musical opportunities and interludes throughout the school day thus taking school music beyond the confines of the music room Instruction in music classes would still continue enhanced in this model by supplemental learning opportunities inspired by the informal learning of traditional world musics the participatory practice of New Orleans second line parades old time music and dance and summer camp music culture This model of integrative learning is also informed by current educational best practices such as child centered learning peer tutoring experiential learning and multicultural perspectives It acknowledges the diversity of traditions consulted while aiming for the unity in their seemingly disparate disciplines Five universal characteristics were uncovered in the search for areas of intersection between North American elementary school culture child culture ngoma music making and Community Music style music making in New Orleans old time music and dance and summer camp contexts a Song b play c informal learning as evidenced by oral tradition peer tutoring self learning d kinesthetic learning and e contextualized learning as

evidenced in the sociocultural uses of music and situated learning This model strives for the enactment of school music as a vital and integral part of daily school culture

**Appalachian Dance** Susan Eike Spalding, 2014-09-15 In *Appalachian Dance Creativity and Continuity in Six Communities* Susan Eike Spalding brings to bear twenty five years worth of rich interviews with black and white Virginians Tennesseans and Kentuckians to explore the evolution and social uses of dance in each region Spalding analyzes how issues as disparate as industrialization around coal plantation culture race relations and the 1970s folk revival influenced freestyle clogging and other dance forms like square dancing in profound ways She reveals how African Americans and Native Americans as well as European immigrants drawn to the timber mills and coal fields brought movement styles that added to local dance vocabularies Placing each community in its sociopolitical and economic context Spalding analyzes how the formal and stylistic nuances found in Appalachian dance reflect the beliefs shared understandings and experiences of the community at large paying particular attention to both regional and racial diversity Written in clear and accessible prose *Appalachian Dance* is a lively addition to the literature and a bold contribution to scholarship concerned with the meaning of movement and the ever changing nature of tradition

**Rural Rhythm** Tony Russell, 2021 Blending musical and social history music historian Tony Russell looks at a vast collection of recordings from the 1920s and 1930s as a window into the world of early country music He uncovers a wealth of forgotten stories as he focuses not only on the songs and tunes themselves but also sheds light on how they came to be recorded the musicians who played them and their listeners

**Minstrel of the Appalachians** Loyal Jones, 1984 With commentary by Terry Alford Burrus Carnahan Joan L Chaconis Percy Martin Betty Ownsbey Edward Steers Jr Thomas R Turner and Laurie Verge On April 14 1865 John Wilkes Booth assassinated President Abraham Lincoln By April 26 eight of the ten people eventually charged as accomplices in Lincoln s murder were in custody Booth was killed resisting capture and John Surratt was in Canada his whereabouts unknown to Federal authorities In the days that followed President Johnson issued an Executive Order directing that the

persons charged with Lincoln's murder stand trial before a military tribunal. During the fifty-day trial, over three hundred and sixty witnesses gave testimony. Benn Pitman, a recognized expert in the art of phonography, an early form of shorthand, was awarded a government contract to produce a true and accurate transcription of the testimony. Working with four assistants, Pitman produced transcripts that served the general public through daily releases to select members of the press as well as to the prosecution and the defense. Pitman was given the right to publish the transcriptions for public sale, and he skillfully winnowed the 4,300 pages of transcription into a single 421-page volume. Copies of the original 1865 edition, as well as subsequent reprints, are exceedingly rare. Here, for the first time, leading experts in the field lend their insight in a series of commentaries that complement Pitman's published transcript, included here in its entirety, exposing various perjuries, explaining testimony that has escaped scholarly attention, and clarifying the events surrounding the assassination as never before.
