what obligations are required of a Freemason? And where do you find them?

Are they restricted to those which are embodied in the formal obligations which we take on one or other or both of our knees with a hand on the VSL?

How many do you think there are?

Formal Obligation of the First Degree

In a reasonably long and quite complex passage what is that we actually swear to? Actually there are only two things!

- Never to reveal the secrets which have been entrusted to us - but with a couple of exceptions:
 - Except to tried Brother (who, demonstrably, already knows them)
 - In a regular Lodge (where it will almost certainly be in ceremonial form and to someone who is receiving them)
- Not to write the secrets in any form such that they may become known - either improperly or inadvertently.

Formal Obligation of the Second Degree

The passage in the Second Degree is a little less complex, and certainly not so long, but still covers only four:

- Never to reveal the secrets
 - Except, of course, to those entitled to them
- To answer signs
- To obey summons
- To maintain the principles taught in the First Degree (which, of course, covers more than the formal Obligations).

Formal Obligation of the Third Degree

The recitation of the Obligation of the Third Degree is pretty solid. The language is complex. Even so it still covers only five things:

- To never reveal the secrets
 - Except to tried Brother
 - In a Master Mason's Lodge
- To adhere to the principles of the Square and Compasses
- To answer signs
- To obey summons, but with exceptions:
