Master Mind:

The Master's Mind Lance Hahn,2017-09-19 God Wants to Help You Overcome Your Greatest Battle of All What we think and believe determines who we are If that s so then why are we so insecure defensive lonely empty fearful depressed self absorbed dysfunctional angry and confused We are a mess But that s not what God has in mind for us In fact the Master has hope strength beauty joy love creativity freedom power peace patience goodness laughter organization effectiveness and purpose for us So what went wrong We lost our identity in our sin We ve become unanchored tossed about on the sea of a million influences none of which is our Master s heart or mind Between the world the flesh and the devil we don t know what to think and therefore our lives are filled with hurt pain and regret Someone is running the show in our minds and it s not us at least not the real us nor the real owner Jesus is not okay with this He died to save us from our sins and set us free He made a way for our souls to be rescued from our enemies He bought the territory of our minds and planted His flag of holy ground It s time for us to get angry enough to take back control of our minds to master them and bring them back in alignment with the Master s will It s time to return to The Master s Mind

Genius Mastermind: Archivarius Daniel Wieser, 2024-12-30. In the heart of the Galactic Nexus, there lies a clandestine order of scholars, the Scholars of the Obsidian Vault, who dedicate their lives to the pursuit of knowledge, reading, and writing tomes that shape the fate of the Nexus. But in a galaxy dominated by war, ignorance, and superstition, knowledge is a weapon and a curse. A young initiate, Lectoris Valtan, is thrust into the dangerous world of forbidden lore, navigating the thin line between genius and madness, enlightenment and damnation. As Valtan rises within the Vault, he uncovers a dark conspiracy buried within the texts of the ancients, one that threatens to unravel not only the Galactic Nexus but reality itself. The more he learns, the closer he comes to madness, heresy, and a terrible decision.
