Master Of Chaos:

The Master of Chaos Terry A. Adams,1989 When the Lady Hanna a telepath of the planet D neera survived an encounter with a potentially deadly race of aliens and averted an interstellar war she was claimed by the human worlds whether she wished the honor or not as their chosen expert in first contact situations Now with the unexpected arrival of beings from the far distant planet of Uskos Hanna was once again embarking on a mission of peace to the stars But what neither Hanna nor the alien ambassadors could foresee was that their journey to Uskos was about to be transformed into something reminiscent of the most famous of Oskosian legends an odyssey contrived by the Master of Chaos himself And this galaxy spanning tale of cultures in collision would ultimately see Hanna s fate linked with that of a man seeking the key to his forgotten past and a people lost beyond the frontiers of known space Pg 4 of cover **The D'neeran Factor** Terry A. Adams,2013 For true humans it is common knowledge that the D neerans human telepaths who come from the planet D neera are considered not quite human though trustworthy After all true humans are the lords of the universe which is why the exploratory star ship Endeavor has launched its star search broadcasting a message of greeting and hope to possible sentient lifeforms throughout the galaxy Everyone is shocked when their broadcast is answered and even more so when the message is meant for the single D neeran aboard Endeavor Lady Hanna Hanna merely a navigator is just as suprised but she must soon shoulder a responsibility much bigger than she could have forseen Soon the fate of all humankind and the likelihood of an intersellar war rests on her shoulders as she becomes the reluctant ambassador for the human race This omnibus of Sentience and The Master of Chaos preludes the release of a brand new Terry A Adams novel Battleground set in the same universe Upon original publication Sentience was a Best First Novel in Locus and nominated for the Nebula Award for Best Novel *Arcanum* Joseph Barresi,2011-03-30 At long last the core rule book for the World of Arator is here Included within these pages are the full current rules and all information needed in order to play games within the Arcanum World of Arator universe Also detailed within this book are A complete comprehensive listing of all 20 character classes a player can be Classes in the Arcanum universe become even more powerful after level 50 by being promoted to an even more powerful version of the original class All character classes have access to 10 powerful special talents at the start of level 1 and these abilities only get stronger as a player levels After level 50 all player classes will receive 5 new talents that are even deadlier Character classes can learn many different special abiltiies such as wrestling duel wielding acrobatics blacksmithing leatherworking enchanting and many more All classes come stock with their own special abilties but it doesn t stop there any player class can learn any special ability they want in addition to the ones they have as a class Choose between dozens of different races including sun elves dark elves dwarves halflings orcs hobgoblins goblins trolls kobolds and many more Learn all about the game and how armor ratings work health points energy points magic and combat The only limitations within the Arcanum universe is what your imagination can summon into being **King of Light** Federico Carro,2019-05-08 This
