

Periscope Patrol

The Saga of the Malta Force Submarines

JOHN FRAYN TURNER

Periscope Patrol

Mark W. Allen

Periscope Patrol:

Periscope Patrol John Frayn Turner, 2008-03-19 The Malta Force submarines had the vital task of interrupting German and Italian convoys crossing the Mediterranean to resupply Rommel and his Army in North Africa The outcome of the Desert War depended on this Operations from the beleaguered island were hazardous both at sea and in port The Naval Base was under constant air attack Due to the courage and tenacity of the crews by the time the Malta based submarines were at full strength a staggering 50% of Axis shipping bound for Africa failed to arrive at its destination The submarines sank some 75 enemy vessels totalling 400 000 tons Periscope Patrol picks out the highlights of their actions and sets them against the bombed out background of Malta the island awarded the George Cross for its single handed stand This is a hugely readable and informative account of submarine warfare at its toughest and roughest **Periscope Patrol** John Frayn Turner, 2008

Originally published London George G Harrap 1957 Periscope Patrol John Frayn Turner, 1957 Periscope Patrol. The Saga of Malta Submarines ... With ... Plates, Etc John Frayn TURNER, 1957 **USS SKATE (SS-305): Complete War**

Patrol Reports AI Lab for Book-Lovers, 2026-09-01 First depth charge Went to deep submergence and rigged for depth charges Received a total of 27 depth charges the last three being the usual parting salvo This was our first successful use of a depth charge indicator These stark words from USS Skate s war patrol records capture the raw reality of submarine warfare in the Pacific Theater They document not merely survival under extraordinary pressure literally and figuratively but also the crew s innovative spirit in the face of lethal opposition The depth charge indicator represented a crucial technological breakthrough that transformed submarine tactics and survivability Beyond the technical innovation this passage reveals the psychological fortitude required of submariners the ability to endure repeated explosions in a steel tube hundreds of feet below the surface knowing that each detonation could be the one that breaches the hull These aren t sanitized historical narratives they re the unfiltered observations of men engaged in one of World War II s most dangerous assignments recorded in real time as events unfolded The USS Skate s complete war patrol reports offer an unparalleled window into submarine operations tactical decisions and the human experience of underwater combat For naval historians military researchers and World War II enthusiasts USS Skate SS 305 Complete War Patrol Reports represents an invaluable primary source document that brings authentic submarine warfare directly from the archives to your hands This comprehensive compilation preserves the declassified war patrol reports of one of the U S Navy s most successful Gato class submarines offering firsthand accounts of combat operations that shaped the Pacific War s outcome The USS Skate earned distinction as a highly effective submarine and these complete patrol reports provide unprecedented access to the strategic thinking tactical decisions and operational challenges faced by submarine commanders and their crews Each patrol report documents enemy encounters attack methodologies damage assessments and crew observations creating a mosaic of submarine warfare that no secondary source can replicate Readers gain insight into the evolution of tactics the effectiveness

of weapons systems the psychological pressures of extended underwater patrols and the remarkable ingenuity of naval personnel adapting to combat conditions These documents are essential reading for anyone seeking to understand naval warfare s technological and human dimensions Military strategists will appreciate the tactical analyses and lessons learned History enthusiasts will find themselves captivated by the personal details woven throughout official reports Academic researchers will value the primary source authenticity and comprehensive operational data Veterans and their families gain deeper understanding of submarine service during history s defining conflict The declassification of these reports represents a significant contribution to historical preservation As time passes and firsthand witnesses to these events diminish comprehensive documentation becomes increasingly precious This volume ensures that the USS Skate s combat record the crew s experiences and the technical innovations they pioneered remain accessible to future generations Owning this complete collection means preserving an irreplaceable piece of American naval history These aren t abstract military statistics they re the actual words of commanding officers and crew members documenting their experiences under conditions of extreme danger and responsibility Whether you re a serious naval historian a military enthusiast a researcher or someone with personal connections to submarine service this volume deserves a

USS ASPRO (SS-309): Complete War Patrol Reports

AI Lab for Book-Lovers,2026-02-17 Sighted small patrol boat later identified as PC boat Tracked target on course 010 T speed 12 knots Target sent two long pings with the projector trained right on us then the pinging stopped all These words extracted from the actual combat logs of USS Aspro capture the electrifying tension of submarine warfare in the Pacific Theater In this moment of high stakes cat and mouse engagement the commanding officer faced an instantaneous decision remain silent and hope for concealment or risk detection through evasive maneuvers The passage illuminates the extraordinary tactical acumen required of submarine commanders men who operated in complete darkness relying on sound powered telephones sonar readings and pure instinct to outthink their adversaries This is not sanitized military history written years after the fact these are the raw unfiltered observations of officers and crew members who lived through these encounters documenting every ping every course change every moment of calculated risk The effectiveness of silent running as an evasion tactic becomes viscerally apparent through such firsthand accounts revealing how submarines exploited the very technology designed to detect them These war patrol reports transform abstract naval history into intimate gripping narrative the authentic voice of men at war USS Aspro SS 309 Complete War Patrol Reports represents an extraordinary opportunity to access declassified primary source documents that have shaped our understanding of Pacific submarine operations during World War II This meticulously compiled volume brings together the complete official war patrol reports filed by USS Aspro s commanding officers throughout her combat service offering researchers historians and military enthusiasts unprecedented insight into actual submarine warfare operations For naval historians and military researchers these documents are invaluable War patrol reports represent the most authoritative contemporary records of submarine

combat tactical decisions and operational procedures Unlike retrospective accounts written decades later these reports capture the immediate impressions strategic calculations and combat experiences of officers and enlisted men as events unfolded They document everything from target acquisition and torpedo firing solutions to evasion tactics damage assessments and crew performance under extreme conditions The reports reveal how submarine commanders adapted to changing enemy tactics employed innovative approaches to overcome defensive measures and managed the psychological and operational challenges of extended patrols in hostile waters USS Aspro's service record encompasses multiple war patrols across different theaters and operational phases of the Pacific War Her reports document the evolution of submarine tactics from the early war period through the intensifying anti submarine warfare efforts of 1944-1945 Readers will discover firsthand accounts of surface engagements periscope observations of enemy fleet movements encounters with escort vessels and the constant technological and tactical innovations that defined submarine warfare This compilation serves multiple audiences exceptionally well WWII enthusiasts gain authentic gripping narratives of combat operations told through official military documentation Military strategists and defense analysts can study tactical decision making risk assessment and operational planning in real world combat scenarios Submarine veterans and their families find validation and context for stories passed down through generations Students of naval history access primary sources essential for serious research and academic work

The historical significance of preserving **Periscope Patrol** John Frayn Turner,1957 **Periscope Patrol. The Saga of Malta Submarines. With ... Plates [including Portraits] ... and ... Diagrams [including a Map in the Text]** John Frayn Turner,1957 *Midway Submerged* Mark W. Allen,2023-05-01

Naval history enthusiasts and military historians who enjoy taking deeper dives into the backgrounds of well known battles particularly concerning tactics and leadership will appreciate this read The book is enriched with well captioned photos diagrams and very detailed appendices which makes it an excellent reference work HistoryNet Most books gloss over submarines at Midway and if they are mentioned at all conclude they failed miserably and had little impact on the outcome of the battle It is undeniable that carrier aviation and intelligence saved the day but the role of the submarine was an important one in defense of an anticipated amphibious assault *Midway Submerged* is a comprehensive examination of a little known aspect of this pivotal naval battle explaining how Nimitz used his submarines at Midway and the Japanese misused theirs based on a flawed tactical plan Based on in depth archival research not only into the battle itself but also submarine design and construction and tactical and operational doctrine for both the United States and Japan it brings a whole new dimension to the discussion of the battle of Midway It examines the intended role of the submarine in the plans and doctrine of both navies and what the submarines were expected to accomplish for both fleets during the battle before assessing the actual accomplishments successes and failures of the submarine forces on both sides Of particular importance the book offers an analysis of how well these vessels fulfilled the expectations placed on them by their respective naval planners concluding that submarines played

a more important role in the outcome than has been previously understood **Under the Periscope** Mark H. J. Bennett,1919 **Burdened but Unruffled** James Gregan,2016-10-28 Launched in 1942 as World War II was raging HMS Unruffled patrolled the oceans for the remainder of the hostilities destroying nearly 40 000 tons of enemy shipping and one train before retiring battered and bruised but glorious and without losing a man James Gregan s home town of Colchester adopted the vessel and took its gallant crew to its heart and more than 70 years on Gregan has written this book to celebrate the forgotten submarine which he describes as not just another piece of war machinery but a boat which helped thirty three heroes to survive a war when so many brave young men did not return The book is a detailed thoroughly researched account of Unruffled s three and a half years of service from Norway to the Mediterranean and from Scotland to Bermuda with detailed accounts of every encounter every moment of fear and every hour of glory United States Naval Institute Proceedings ,1925 The Nineteenth Century and After ,1919 **Proceedings of the United States Naval Institute** United States Naval Institute,1920 **Blackwood's Magazine** ,1919 **The Naval Review** ,1911 **Clean Sweep** Roy M. Davenport,1986 **The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual** Ron Martini,2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can t understand terms like head deck and overhead and who think SOS is a distress signal **The World's Work** ,1930 A history of our time Flying ,1917

Unveiling the Magic of Words: A Report on "**Periscope Patrol**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Periscope Patrol**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
