

A close-up photograph of a person in a dark suit and white shirt holding a white document. The document is the central focus, with the word 'BANKRUPTCY' in large, bold, black serif font at the top. Below it, 'Chapter 7' is written in a smaller, black serif font. A thin horizontal line separates the title from the subtitle. At the bottom of the page, there is some smaller, partially obscured text in italics. The person's hands are visible, holding the edges of the document. The background is a plain, dark grey color.

Financial Contagion Rob Quail, 2011-02-09 Financial Contagion The Viral Threat to the Wealth of Nations covers a lot of territory It is of course terribly important to analyze case histories to discover potential triggers mechanisms of transmission and viable ways to contain the damage of financial contagion The problem is as these articles amply demonstrate that there s always a new virus or a mutation of a former one lurking in some corner of the financial world We don t know what it is or where it is And even if we had some inkling there s almost never enough time to develop a financial flu shot SeekingAlpha com The latest insights on financial contagion and how both nations and investors can effectively deal with it The domino style structure in which the financial system exists is a perilous one Although historically

the financial system has been able to deal with major shocks the fact remains that our financial system is not as secure as it should be Recent years have brought about too many examples of contagion and systemic risk That is why Financial Contagion is such an important read In it the serious concerns that revolve around our fragile economic system are investigated researched and explained Throughout the book Kolb offers valuable insights on this dilemma as he compiles the history of financial contagion highlights the latest research on systemic failure and interrelated markets and analyzes the risks and consequences we face moving forward Examines the importance of careful regulation and what must be done to stabilize the global financial system Includes contributed chapters from both academics and experienced professionals offering a variety of perspectives and a rich interplay of ideas Details how close we are to witnessing a financial contagion that could devastate the world economy We have been harshly reminded of how fragile our economic ecosystem is With Financial Contagion you ll hold a better understanding of what needs to be done to strengthen our system and safeguard our financial future
