Antirion Anna Berlinger,2014-02-18 What if the Irish folklore legends and mythology were real Antron The Forgotten Isle answers this question through the epic story of a young girl living in Ireland during the early 20th century Through a shift of fate Katie Sullivan and her companions are swept into a parallel world where the ancient Irish mythical creatures have been preserved from the sands of time Antron the pure country was once a land of beauty ruled by pure and just creatures However in recent years evil has fallen upon the country The very spirits and faeris who preserve the land are disunited and it seems that the fate of Antron rests in the hands of the only race of creatures who can save her humans from another world Taking a fresh twist on the classic images of banshees fairis and leprechauns and adding other less known creatures from Irish mythology Antron The Forgotten Isle is a fantasy novel rich in ancient Irish culture and filled to the brim with medieval excitement and danger **N.
