Personal Bible Study Notebook Volume II:

Bible Workbook Vol. 2 New Testament Catherine B. Walker, 1951-06-01 NOW WITH UPDATED FULL COLOR MAPS
The Bible Workbooks are a systematic individual study of the Bible The student learns by doing information is given and questions are asked to test their understanding Bible Workbook Volume 2 gives an overview and a book by book study of the New Testament Interesting stimulating informative Bible Workbooks provide an understandable and enjoyable means of personal Bible study The Books of Samuel, Volume 2 Cyril J. Barber, 2003-10-07 Cyril Barber is convinced that the books of Samuel were written not to display the horror of David's sins of murder and adultery but rather to demonstrate God's faithfulness in raising up prophets priests and kings to move history toward the coming of Christ The central focus of this commentary is to show that the sovereign God weaves His own historical patterns alongside human failure and sin Some people will read this volume for the exegetical light it sheds on 2 Samuel Others will seek personal applications and find help in the great lessons that can be learned from the mistakes and successes of the past All who read it will derive a new appreciation for the work of God in human history I should warn you that this commentary challenges familiar interpretations and looks at the events of 2 Samuel through a different set of glasses But precisely for this reason I wish it a wide distribution From the Foreword by Erwin W Lutzer The John MacArthur Collection Volume 2 John MacArthur, Jr., 2015-11-30 Now available Three of John MacArthur's spiritual classics on one edition Grow in your journey of faith with practical Biblical insights from pastor and teacher John MacArthur This collection contains Divine Design For decades culture has blurred the lines between men and women all in the name of equality Yet instead of creating harmony this approach has caused frustration and confusion leaving families broken and hurting Divine Design draws readers back to God's intention for men and women and tackles big issues such as authority in marriage mothers in the home and the innate difference between males and females Readers will discover how embracing their unique design can foster security balance and love in a marriage and family Saved Without a Doubt Am I really saved Am I going to heaven How can I know for sure Every believer has wrestled with these questions at some point in their journey Saved Without a Doubt examines Scripture to uncover the truth of salvation while addressing tough questions that can hinder our faith Readers will develop a Bible based theology of salvation and be encouraged to securely rest in their personal relationship with Christ The Power of Suffering Why does God allow suffering Even more perplexing where is God when people hurt The Power of Suffering holds the vital answers MacArthur takes a look at the reality and role of suffering in the life of a believer He offers readers a profound message of hope encouragement and peace How to Grow New Christians John C.
