Ready Player Two Ernest Cline, 2021-11-09 1 NEW YORK TIMES BESTSELLER The thrilling sequel to the beloved worldwide bestseller *Ready Player One* the near future adventure that inspired the blockbuster Steven Spielberg film NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST The game is on again A great mix of exciting fantasy and threatening fact The Wall Street Journal AN UNEXPECTED QUEST TWO WORLDS AT STAKE ARE YOU READY Days after winning OASIS founder James Halliday s contest Wade Watts makes a discovery that changes everything Hidden within Halliday s vaults waiting for his heir to find lies a technological advancement that will once again change the world and make the OASIS a thousand times more wondrous and addictive than even Wade dreamed possible With it comes a new riddle and a new quest a last Easter egg from Halliday hinting at a mysterious prize And an unexpected impossibly powerful and dangerous new rival awaits one who ll kill millions to get what he wants Wade s life and the future of the OASIS are again at stake but this time the fate of humanity also hangs in the balance Lovingly nostalgic and wildly original as only Ernest Cline could conceive it *Ready Player Two* takes us on another imaginative fun action packed adventure through his beloved virtual universe and jolts us thrillingly into the future once again **In the Heart of the Jungle** Lotus Tran, 2014-04 This memoir demonstrates what the Vietnam War did to Tran s family her people and her country From inside cover [Journey Of Revenge](#) David Z. Price, 2010-05-07 We must be very careful of how we raise our children If the wrong message is sent to the child the end result can be tragic Children are very impressionable and are born with the desire to please their parents It is a parent s responsibility to raise the child into adulthood in a proper manner There are no good templates to follow or precise instructions for the creation of a well rounded child That would be far too simple Parents must remember that a perfect child does not exist They also must remember that a child needs to be a child Each child is very different and each child requires special attention that can only be given by loving parents If but one parent or future parent reads this book and realizes the potential effect of their actions on a child and changes their parenting approach then I have done my job This novel reflects the effect of an overbearing abusive parent on a child The child Zeke possesses the ability to fully remember everything since he was three years old Zeke is both physically and mentally abused by a controlling mother Marie who is relentless in her quest to prove to the boy that he is evil and worthless Zeke grows up through childhood to believe that he is really the monster that his mother makes him out to be Zeke is driven to seclusion early in life by Marie He only feels safe when he is alone where nobody can see or touch him He is safe only in a world where he is the one in control and he makes the decisions Zeke s father James is a workaholic and is seldom around to realize the abuse that goes on during his absence Marie uses James to administer punishment to the boy for infractions that are blown out of proportion by her anger toward the child The reality is that Marie never wanted the child and she blames James for the existence of the boy The truth is that James fears being at home with Marie as much as Zeke does The control and abuse doesn t stop with Zeke it

also filters down to James The story follows Zeke through school where he is constantly in trouble with other children and school officials His punishment for his behavior is severe and his anger toward the world increases as each day passes In each case where he is wronged he must retaliate Zeke fully understands right from wrong but he can't control his anger and hatred He won't even try why should he His only friend in life Tony suffers a tragic death at a very young age and Zeke blames himself for not being able to save him He feels that if he had only listened to Tony that he could have saved him That guilt follows Zeke for the rest of his life He has his first romantic interlude at an early age with a young female neighbor His trust and ability to care about females is further damaged by the actions of this young lady Marie has laid the groundwork for Zeke to possess the power to hate when he is rejected He will not be controlled by anyone He will be the one who controls each situation Only Zeke's feelings matter anymore Zeke begins to suffer from reoccurring nightmares that haunt him almost daily He can't escape them and they continue to burn their way into his mind A faceless demon with a blood dripping dagger chases him relentlessly in his nightmares The nightmare intensifies over the years until one day he sees the face of the demon clearly During the story Zeke's life crosses the path of an undesirable vagrant named Whitey He proves to be an individual that needs to be dealt with Whitey is just another person who tries to control and abuse Zeke Zeke's quest to get even with Whitey takes him to a place in his mind that he will travel numerous times in the future Many chose to cross Zeke during his life and he comes up with unique ways to deal with these individuals Zeke believes that those who wrong him deserve to be punished and no punishment is too great for those who betray him Zeke escapes his life at home through the help of James only to find that life aw

Dharma Punx Noah Levine,2009-10-13 Fueled by the music of revolution anger fear and despair we dyed our hair or shaved our heads Eating acid like it was candy and chasing speed with cheap vodka smoking truckloads of weed all in a vain attempt to get numb and stay numb This is the story of a young man and a generation of angry youths who rebelled against their parents and the unfulfilled promise of the sixties As with many self-destructive kids Noah Levine's search for meaning led him first to punk rock drugs drinking and dissatisfaction But the search didn't end there Having clearly seen the uselessness of drugs and violence Noah looked for positive ways to channel his rebellion against what he saw as the lies of society Fueled by his anger at so much injustice and suffering Levine now uses that energy and the practice of Buddhism to awaken his natural wisdom and compassion While Levine comes to embrace the same spiritual tradition as his father bestselling author Stephen Levine he finds his most authentic expression in

connecting the seemingly opposed worlds of punk and Buddhism As Noah Levine delved deeper into Buddhism he chose not to reject the punk scene instead integrating the two worlds as a catalyst for transformation Ultimately this is an inspiring story about maturing and how a hostile and lost generation is finally finding its footing This provocative report takes us deep inside the punk scene and moves from anger rebellion and self destruction to health service to others and genuine spiritual growth
