My I:

My "I AM" Song Kelsie Josephs, 2017-07-26 When you ask yourself the question of who you want to be it is not about what you have been told but how you really feel within Learn to set your intention by trusting in yourself It is not just about what you say but rather the meaning or intention behind it Learn to YES your way through life by telling yourself and calling yourself exactly what you want to see and be then KNOW it to be true It is then that the rest of the world will have no choice but to see you in the same light By paying close attention to the words I AM it becomes much easier to understand that you are only truly defined by how you see yourself and in turn how you feel so make it an amazing experience and choose love Positive affirmations are excellent reminders of the light and love we have for ourselves lifting our spirits and truly connecting us In showing children the importance of loving themselves and choosing to see themselves in beautiful ways they will begin to understand their ability to create their own happiness through the way they see themselves and in turn the world It is when they have this undeniable love for themselves that they will be able to see the rest of the world with the same level of love By choosing to see ourselves the way we want to be seen we create a space for greatness as we express these positive affirmations with meaning knowing that we absolutely can and do create our reality each and every day I Am Wisdom Robert A. Wilson, 2017-12-07 I Am Wisdom is about understanding how wisdom and words describe the images of peoples desired life Wisdom and words open enterprising expressions to rise and shine from within unleashing their prowess to expand through life with liberating inspired foresight and to appreciate energizing amazing accomplished outcomes I Am Wisdom turns on peoples lights of enlightenment that excite dreamers and entrepreneurs within to see that wisdom is wealth to experience things they dare to now and forevermore I Am Wisdom shows people the way to write and speak to the images of their dreams Understanding wisdom and words opens their gates of ingenious lore to explore life in a bold new way Then it opens peoples eyes to their inner wisdom to dance with their dreams appreciating lifes extravaganzas with glorious gusto *The Pretty Sabine Women* Leonid Andreyev, 1914 *English Mechanic and Mirror of Science and Art*, 1893 *Go!
