

Hi! My name is Mary.

Hello! My name is Mary. I study maths, science, English, Spanish, social science, music, P.E. religion and art at school. My favourite school subject is English and I always get good marks in my English exams and don't need to study too much. I am also good at P.E. because I like sports very much. I am very bad at maths. I don't like maths at all but I think I will be able to pass this horrible subject at the end of the year.

My favourite sport is basketball and I think I am a good player because I am the captain of the school team. In summer I usually swim in the sea or in the swimming pool because it is very hot to play basketball.

I also like music and I am learning to play the flute. I love classical music and I would like to play in an orchestra some day.

I have got lots of friends and at the weekend we usually go to the cinema to watch a good film.

Sunday is reserved for my family. We go out together and have lunch in a restaurant or a pizza bar because we like eating good food. On Sunday evening, if the weather is good, we go for a walk in the country or the mountains or we stay at home if the weather is not suitable. We like talking about the things that happened to us during the week.

As you can see I make good use of my week.

Write true or false about the text.
