MY AUTOBIOGRAPHY

I am Alea Mae D. Benitez, I was born on May 7, 2000 in Pasay City, Philippines. We are two siblings in the family, I am the second child. My mother's name is Divina D. Benitez from Sorsogon, Bicol. My father's name is Nelson Benitez. And he is from Camarines Sur, Bicol.

During weekends, we usually spend our days in the family. We always go to church. We helped each other in our school activities. My family was a happy and loving family. I had a happy childhood living with my parents and my siblings. I completed my elementary education at Don Carlos V. Benitez Elementary School. During my junior high school, I completed my junior high school at President Corazon Aquino National High School and I usually spend my free time with my friends. Since the lockdown, I have a lot of things to do with my friend for a Google meet until dawn, and we do many things when we do, such as talk about what is going on in our lives and watch movies that have been shown several times. We have been watched pitch perfect all seasons. I have finished it several times. When I am not with them, I watch shows like Mr. Queen and Ghost Doctor. And I am a senior at Pasay City South High School, I will do everything I can to get into a good university where I can attend college.

My Story An Autobiography:

Rosa Parks Rosa Parks, Jim Haskins, 1999-01-01 Rosa Parks is best known for the day she refused to give up her seat on a segregated bus sparking the Montgomery Alabama bus boycott Yet there is much more to her story than this one act of defiance In this straightforward compelling autobiography Rosa Parks talks candidly about the civil rights movement and her active role in it Her dedication is inspiring her story is unforgettable The simplicity and candor of this courageous woman s voice makes these compelling events even more moving and dramatic Publishers Weekly starred review *My Story* Elva Hurst, 2018-10-20 Journey from one culture to another as former Old Order Mennonite woman Elva Hurst gives an inside look into her past life in one of the most interesting people groups in the world As she tells of her artistic and spiritual journey from childhood on the farm to her departure from the community you will be moved by her underlying story of faith love and redemption of all things **My Story** Kamala Das, 1984 **Harriet Martineau's Autobiography** Harriet Martineau, 1877

Harriet Martineau's autobiography, with memorials by M.W. Chapman Harriet Martineau, 1877 **Confessions, Revised and Updated** Matthew Fox, 2015-11-10 Matthew Fox s stirring autobiography Confessions reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author s continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men Confessions tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author s work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world s spiritual traditions to stand up for eco justice gender justice economic justice and social justice **Autobiography of Thomas Guthrie, D. D. and Memoir** Thomas Guthrie, David Kelly Guthrie, 1875 *My Story* Mary Astor, 2013-08-20 *My Story an Autobiography* By Mary Astor Prologue People have often said to me You haven t changed a bit They meant it as a compliment but I could hear it only as an accusation a statement of brutal fact And I have thought bitterly You are so right For I knew that if I had not changed I had not grown To be a perennial child an ethereal Peter Pan playing with pirates and

Indians throughout all eternity can be a lovely thing in the never never land of fantasy but it is an unhappy thing in life The child is born so that he may become a man It is his destiny to grow to learn to understand to assume responsibilities Growth can be painful I know but I have found that a stunted and retarded growth can be a pain beyond belief My father often used to rebuke me by saying You are almost nine years old and then ten and then eleven and twelve and you haven't learned a thing Well here I was fifty years old and I still hadn't learned a thing My father's rebuke had always seemed to imply a promise that years the very accumulation of years would bring experience and understanding So at whatever age I was I wished I were older At seventeen I longed to be twenty five At twenty I wanted to be a woman of the world of thirty At thirty I read that the French thought a woman did not reach a full maturity of beauty and attractiveness until she was forty Finally at forty five I decided that the whole thing was a pack of lies Where was the serenity that the years were to bring Where was the cooling of passion's blood I realized that I who leaned on so many people and things had been leaning even on the abstraction of time I was still refusing to grow up to face the oppressive fact that I should long since have become a responsible mature adult I continued to seek people and things I could lean on to escape the need for making my own decisions and assuming responsibility for my own acts One event above all others should have brought me to a full realization of my responsibility and dignity as an individual but even in that I failed My conversion to the Catholic Church was almost purely emotional I felt instinctively that I had finally found something substantial to lean on never realizing that it is the Church above all else that demands a stern and courageous individuality So my conversion did not turn out to be the conventional conversion story where the sinner is baptized and lives happily ever after I leaned and I fell It is true the Church would repeatedly pick me up and dust me off after each fall She would dry my tears and heal my wounds and comfort me Then she would gently say Go Walk alone with God But I couldn't walk alone So I Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high quality reproductions of original classic printed works at affordable prices This book has been carefully crafted to utilize the original images of antique books rather than error prone OCR text This also preserves the work of the original typesetters of these classics unknown craftsmen who laid out the text often by hand of each and every page you will read Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today and gave each book a unique hand crafted feel in its text that connected the reader organically to the art of bindery and book making We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of scanning and their vintage feel provides a connection to the past that goes beyond the mere words of the text
