Confrontations with the Devil Robert Pelton,2013-01-18 Demonic possession of humans is not something Hollywood invented It s quite as old as the Old Testament Jesus exorcised demons Clergymen of the 1970s Catholic and Protestant can relate experiences very similar to those chronicled in the book and shown with such ghastly realism in the movie Frequently in their counseling clergymen experience supernatural manifestations which they are reticent to discuss from the pulpit Paul Harvey Do not make any mistake about it There are demons as well as unseen angels and that unseen world exists Billy Graham We know that this dark and disturbing spirit really exists and that he still acts with treacherous cunning Pope Paul VI People are now aware that it s possible to be possessed and they want to know what they can do to avoid possession by a demon Kathryn Kuhlman Bear in mind that demon possession is no field for amateurs Christians must not be naive about this Evangelist Leighton Ford I was in our big tent one night in a certain city We were having a night when it seemed like every third person was demon possessed It s like that in the ministry There ll be none and then the night comes when it seems like the whole demon world erupts I urged the crowd touch the chair in front of you as though you were touching the person Pray for the person Pray with me Fill this room with your faith When the demons came out of one person I had prayed for all of a sudden over to my right at the edge of the tent a man let out a bloodcurdling yell and ran The demon had struck him and had entered him The police ran after him caught him and brought him back We then prayed for him and were able to help him I don t want to overdramatize what I m saying but if I say any less I m not telling it like it is This is but one of the many Satanic confrontations experienced in the long evangelistic ministry of Oral Roberts This man as well as a multitude of others have fearlessly met the devil head on They each claim victory after victory for their Jesus Confrontations with the Devil includes such unusual cases as the little girl in Manila who was viciously bitten by devils She cursed God Jesus Christ the Holy Spirit the blood of Jesus and missionary Lester Sumrall the exorcist in English After she was back to normal it was discovered she could not speak a word of English You ll read of the possessed woman who was mysteriously suspended in midair between the preacher and a crowd of 14 000 people during a crusade *Confrontations with the Devil* reveals firsthand experiences of unbelievable demon battles taking place in today s modern world Roberts Lowery Pedigo Sumrall and many others tell their stories Each believes that Satan and his demons know all who really belong to God And they feel that these evil spiritual forces fear any person who exercises the God given power to cast them out **How About Demons?** Felicitas D. Goodman,1988-05-22 The author of the *Exorcism of Anneliese Michel* is to be commended for a stimulating and wide

reaching treatment of a compelling and much debated subject Journal of Folklore Research As part of a series that strives to introduce new or previously unrecognized folkloric phenomena as well as new approaches and theories that result from discovery and investigation How About Demons provides an overview of a topic that has for many years captured the imagination of people from all walks of life Rich in detail derived from the author's fieldwork and anthropological literature this work contemplates possession and exorcism in a holistic manner discussing their effects on both the body and soul How About Demons paints a picture of possession as a usually positive experience occurring in a wide variety of cultures and religions around the globe It also details the ritual of exorcism which is applied when things go wrong Quite an interesting book Religious Studies Review It is by far superior to anything else on demons we have seen in the past few years The American Rationalist *Demonic Possession and Exorcism* Charles River,2023-11-28 In the 21st century most people associate the idea of the possession of a person or place by a malevolent supernatural entity with the medieval world and particularly with the Catholic Church but the truth is considerably stranger Virtually every human culture that has ever existed has talked about both possession and exorcism a rite or ritual used to free a person or place from possession The terms used to describe the process of possession and entities thought to be responsible have changed throughout history but the central theory does not In certain circumstances it is said that a person place or object may become inhabited by an entity that comes from somewhere else The outcome is generally negative and sometimes even fatal The only effective remedy is exorcism the banishment of the entity involved to the place from which it came Some branches of modern psychology suggests that possession is simply a form of mental illness and that all these cases can be explained in psychological terms But as you will see there appears to be a remarkable consistency in reports of possessions and even witness reports of possessed people demonstrating remarkable powers and abilities It is difficult to explain those things purely in terms of psychology Furthermore while people might associate possession and exorcism with the past particularly the medieval world claims have increased dramatically in the past 50 years The situation became so serious that in 1990 a group of Roman Catholic priests formed the International Association of Exorcists IAE This group lobbied the Vatican to recognize the growth of instances in demonic possession and in 2004 the Vatican's Congregation for the Doctrine of the Faith asked every Catholic diocese to appoint a trained exorcist Precise figures are very difficult to obtain the Catholic Church for example does not publish official statistics for the number of exorcisms performed by its priests What is known is that most large Catholic dioceses in North America have access to official exorcists and these priests receive specialist training to undertake exorcism ministries No official numbers are available the Catholic Church does not identify priests who act as exorcists but it is believed that in 2011 the Catholic Church had around 15 trained exorcists in North America Today that number is believed to be well over 100 Perhaps not coincidentally polls suggest that belief in demons and demonic possession is also rising One poll conducted in 2019 in America found that 22% of those surveyed believed that demons

definitely exist while a further 24% believe that such entities probably exist Those are staggering numbers in a modern industrialized advanced nation Some people claim that belief in demons and demonic possession has never been higher Naturally this increasing belief in demonic possession has also led to an increase in the numbers of exorcisms that priests and others are called to perform Again precise figures are not available but one high profile exorcist in America Father Vincent Lampert the exorcist for the Archdiocese of Indianapolis told a reporter in October 2018 that he had received over 1 700 requests for exorcisms so far that year the highest number he had ever experienced Other Catholic priests trained in exorcism rites in North America had said that this aspect of their ministry has become so overwhelming that they can barely cope with requests for exorcisms All of this makes clear that the concepts of demonic possession and exorcism are not merely topics of interest to historians but things that are affecting growing numbers of ordinary people around the world right now

Interview with an Exorcist Jose Antonio Fortea,2006-08 In today s culture of scientific enlightenment many consider belief in demonic possession and exorcism to be superstitious remnants of the Dark Ages Even many Christians contrary to the clear words of Jesus in the Gospel scoff at the notion that the Devil and demons really exist Is demonic possession real Are believers really in any danger from Satan and his crafty minions What is the truth about exorcism Written by one of the Church s foremost experts on the topic Interview with an Exorcist is based on Fr Jose Antonio Fortea s years of working as an exorcist his extensive investigations of cases of suspected possessions and his attendance at hundreds of exorcisms **The Case Against Possessions and Exorcisms ; a Historical, Biblical and Psychological Analysis of Demons, Devils and Demoniacs, by Juan B. Cortes and Florence M. Gatti** Juan B. Cortés,1975 *True Ghost Stories* Zachery Knowles,2017-03-18 Looking for a Scare Then Read These 13 Spine chilling Stories Within these pages you will find eyewitness stories unlike anything you ve read before You will experience the terror the helplessness the loss of control and the torment felt by those who have fallen prey to the dark powers in this world the demon possessed The symptoms of demonic possessions manifest themselves in many ways convulsions bite marks appearing from nothing and levitation are all common The victims frequently inherit clairvoyant abilities too seeing directly into another person s soul to uncover their deepest darkest secrets Perhaps most incredibly of all though the possessed may begin speaking in a language they ve never previously been exposed to These are symptoms it s almost impossible to explain or dismiss This chilling collection of stories date from modern times all the way back to the 1600s spanning multiple countries including the United States Great Britain the Philippines France and South Africa From the poor to the middle class the prostitute to the housewife and the schoolboy to the local butcher you will learn demons do not discriminate between class gender or age it can happen to anyone Most of the time the demon possesses one individual but not always In this book you will find the case of two brothers possessed simultaneously and interacting with each other in the throes of their possession as well as an instance in which an entire school of children seem to suffer at the hands of a demonic entity Some of these horror stories arose from poor judgment

such as a pact with the devil or seeking the help of an ill reputed healer Others succumbed to a curse while some are unfortunate enough to simply find themselves in the wrong place at the wrong time Some of the victims of these stories were delivered but found their lives cut dramatically short no doubt due to the physical torments their human bodies endured during the possession and exorcism Others faced prison or found themselves locked up in asylums because of actions committed while they were under an evil influence Yet there are still those whom were unable to be delivered one in particular even leading to a gruesome haunting murder It seems there are no happy endings when demons become involved So let me ask you do you believe in demons True Demonic Possessions and Exorcisms is guaranteed to befuddle the skeptics and confirm to believers that demons are not to be messed with Whichever side of the fence you sit one thing is for sure this collection of true stories of demonic possession is guaranteed to be a hair raising experience Ready to scare yourself senseless Scroll to the top of the page and hit buy

The Case Against Possessions and Exorcisms Juan B. Cortés, Florence M. Gatti, 1975 *The Social Scientific Study of Exorcism in Christianity* Giuseppe Giordan, Adam Possamai, 2020-06-01 This book presents an academic analysis of exorcism in Christianity It not only explores the crisis and drama of a single individual in a fight against demonic possession but also looks at the broader implications for the society in which the possessed lives In recognition of this coverage includes case studies from various geographical areas in Europe North and South America and Oceania The contributors explore the growing significance of the rite of exorcism both in its more structured format within traditional Christian religions as well as in the less controlled and structured forms in the rites of deliverance within Neopentecostal movements They examine theories on the interaction between religion magic and science to present new and groundbreaking data on exorcism The fight against demonic possession underlines the way in which changes within the religious field such as the rediscovery of typical practices of popular religiosity challenge the expectations of the theory of secularization This book argues that if possession is a threat to the individual and to the equilibrium of the social order the ritual of exorcism is able to re establish a balance and an order through the power of the exorcist This does not happen in a social vacuum but in a consumer culture where religious groups market themselves against other faiths This book appeals to researchers in the field

Demonic Possessions in History Anita Croy, 2019-07-15 Possession by a malevolent spirit sounds like a horrific nightmare or bizarre fiction but history has certainly shown that it isn't such a far fetched concept The fear of these possessions stems from Christianity and other religions They had treacherous repercussions such as witch hunts in Europe and the United States and attempted exorcisms Murderers even used the guise of demonic possession as an excuse for their crimes Readers poring through these engrossing extensive accounts can decide for themselves what may have a ring of truth to it

Demons, Possession and Exorcism Robert Pelton, 2013-01-18 Paul Harvey once stated Demonic possession of humans is not something Hollywood invented It is quite as old as the Old Testament Jesus exorcised demons Clergymen of the 1970s Catholic and Protestant can relate experiences very similar to

those chronicled in the book *The Exorcist* and shown with such ghastly realism in the movie. Frequently in their counseling, clergymen experience supernatural manifestations which they are reticent to discuss from the pulpit. Renowned Evangelist Billy Graham said, "Don't make any mistake about it. There are demons as well as unseen angels and that unseen world exists." Pope Paul VI declared, "We know that this dark and disturbing spirit really exists and that he still acts with treacherous cunning." The idea of possessive evil supernatural beings is distasteful, but there are those who know that devils are real, walking among us, waiting to live within us. Many fundamental believers interpret the Bible simply and literally. It is with scriptural assurance that they are convinced of the reality of devil spirits. They confront these evil forces with calmness and determination, secure in the power of the Holy Ghost within themselves to protect them and overpower the opposition. In my name shall they cast out devils, is the first of the five signs found in Mark 16:17-18. Christians throughout the world believe these signs were given to the true believers by Christ before his Ascension. To them, they are as necessary and as relevant today as they were when the risen Master offered them to his faithful few. Members of such faiths approach devil possession almost casually. It has been an integral part of their religion for generations. Others are just now beginning to discuss the subject almost as if devil spirits must be officially recognized. One becomes possessed to work Satan's end, suggested Reverend M. Thomas Starkes, former Director of the Department of Interfaith Witness on the Southern Baptist Home Mission Board. When one is a non-Christian and possessed, Satan uses this to further his own kingdom, to display his power. I have seen a Christian, a new Christian, who sold his soul completely out to Satan for a period of twelve years and was then converted. He was still able to retain some of the satanic powers because Satan is very slow to let go, to let his control go over the life of an individual who is controlled or possessed. In some areas of religion, the exorcism of evil is practiced with zeal and dedication. The devout believe it takes a great amount of faith to seek and develop a productive relationship with God. It takes living right and constant spiritual contact to maintain the closeness that has as its reward invincible power from the Holy Ghost. Never do the recipients claim this power for themselves. Always it is God working with them and through them. So it is when believers gather around a sinner or a stricken brother in the faith to cast out a devil that the Holy Ghost sends power enough to subjugate Satan's emissary. The devil must bow to God's supremacy. Countless men of God have experienced firsthand the horror of a rebellious devil clinging to the human being it has chosen for a home. These ministers are not shocked or surprised at the bizarre descriptions in the currently popular exorcism stories. They have seen it all. They have heard male voices utter verbal filth from female mouths. They have seen blood and vomit follow the expulsion of a struggling demon. They know devils are here. Listen to the preachers, teachers, evangelists, theologians, and faith-filled Christians who actually exorcise demonic spirits; tell how they do it. The methods they employ and the words they use are many and varied. But their reason for doing it is singular. Mark 16 spells it out clearly: "In My Name Shall They Cast Out Devils." Possessed Thomas B. Allen, 2013-11-11. *The Exorcist*, a 1973 movie about a twelve-year-old girl possessed by the Devil, frightened people more than

any horror film ever did. Many moviegoers sought therapy to rid themselves of fears they could not explain. Psychiatrists coined the term cinematic neurosis for patients who left the movie feeling a terrifying presence of demons. At the Washington premiere, a young woman stood outside the theater trembling. "I come out here in the sunlight," she said, "and I see people's eyes and they frighten me." Among the few moviegoers unmoved by the horror were two priests: Father William S. Bowdern and Father Walter Halloran, members of the Jesuit community at St. Louis University. Billy came out shaking his head about the little girl bouncing on the bed and urinating on the crucifix. Halloran remembers, "He was kind of angry. There is a good message that can be given by this thing," he said. The message was the fact that evil spirits operate in our world. Bowdern and Halloran knew that the movie was fictional veneer masking a terrible reality. Night after night in March and April 1949, Bowdern had been an exorcist with Halloran assisting. Bowdern fervently believed that he had driven a demon from a tormented soul. The victim had been a thirteen-year-old boy, strangely lured to St. Louis from a Maryland suburb of Washington. Bowdern's exorcism had been the inspiration for the movie. The true story of this possession, told in *Possessed*, is based on a diary kept by a Jesuit priest assisting Father Bowdern. The diary, the most complete account of an exorcism since the Middle Ages, is published for the first time in this revised edition of *Possessed*.
