Reckless Faith:

Reckless Faith Beth Guckenberger,2008 Thirteen years ago a mission trip inspired a young couple to move to Mexico to care for orphans and other children True stories drawn from their ministry experiences challenge readers to trust God to show up exactly when and where He s needed most [Reckless Faith](#) Kevin G. Harney,2012-11-19 In a world where we tend to be over cautious about well nearly everything it s no surprise that our obsession with safety can carry over to how we live our faith in the world But it s always been risky to follow God and Kevin Harney believes we are missing a vital part of our faith when we play it safe In this energizing book he challenges readers to count the cost take a chance and live a reckless faith for the entire world to see With a focus on responsible recklessness Harney shows readers how to develop a faith that others notice always supported by prayer wisdom the direction of Scripture and insightful counsel from other believers He outlines how to be reckless in our love generosity service relationships prayers and speech Perfect for pastors small groups or anyone who is tired of feeling domesticated and docile this book will lead readers into a fresh devotion and dynamism in their faith **Reckless Faith** Kevin Harney,2013 [Reckless Faith](#) Beth Guckenberger,2019-06-30 *Reckless Faith* Jo Kadlecek,2009-01-16 Bible studies on the life of Peter examine his letters the book of Acts and the Gospels He was impulsive arrogant and passionate to a fault Yet Jesus chose him to lead the early church Peter one of the most colorful of Jesus disciples paints the picture of a man who wants desperately to be holy but is hampered by being all too human Sound familiar **Reckless Faith** looks at this caustic cocky cowardly chosen man and what his life has to say to Christians today Through a study of his letters the book of Acts and the Gospels Peter springs off the page as one who held nothing back lived large and was used by God despite his most sinful nature This Fisherman Resource includes author commentary interactive questions and opportunities for reflection as you discover how God allows us to come to him as holy and human Great for individual study or in a group **Reckless Faith** will show you that being a follower of God doesn t necessarily mean having it all together

Reckless Faith John MacArthur,1994 In a society that is hostile to anyone who declares absolutes that tolerates faith in any form that values emotion over reason and trendiness over conviction it s no suprise that many American chuches have lost their ability to discern between biblical truth and doctrinal error John MacArthur attempts to set them straight [A Reckless Faith](#) ,2011 **Faith for a Lifetime** Stella Parker,2017-08-24 Experience teaches has proven to be a true statement throughout my lifetime The greatest and most profound experience happened when I was twelve years old I came to know Jesus as my Lord and Savior That was the beginning of my faith journey and it continues today Every life experience taught a vital lesson and established faith as the bedrock of my existence **Faith for a Lifetime** contains true stories of faith miracles and answered prayers Hopefully reading this book will inspire you to seek God s presence and experience the guiding power of the Holy Spirit Nothing is so trivial or so difficult that we cannot share it with Him It is God s good pleasure to be involved in our life every day and in every circumstance that touches our life Life consists of joys and sorrows good

times and challenging times but every experience has a purpose and shapes us into a vessel of honor if we submit our lives to Him or a vessel of dishonor if we choose not to trust Him The quest of life is to seek and find our destiny and purpose for being here It can be found by faith in God His Word and hearing His voice Faith grows as we use it May yours last a lifetime

Faith Theo Hobson,2014-12-05 In Faith the theologian Theo Hobson explores the notion of faith and the role it plays in our lives He unpacks the concept to ask whether faith is dependent on religion or whether it is also a general secular phenomenon In exploring this question Hobson ranges widely over theology philosophy politics and psychology and engages with the writings of Christian and atheist thinkers alike The book begins by considering attitudes to faith in recent works of atheism Hobson shows how Richard Dawkins and other writers while attacking faith in one sense have exhibited faith in another The book goes on to explore the wider meaning of faith including our faith in free market capitalism the part faith plays in democratic politics and the role faith has in our psychological well being To understand the role of faith in modernity Hobson argues we must attend to the specifically Christian concept of faith Hobson then returns to the religious meaning of faith by exploring the account of faith in the Bible and charting the tension between faith and reason in Christian thought The final chapter takes an autobiographical turn and relates how the author came to take faith seriously and to question what Christians are meant to have faith in From the Old Testament story of Abraham to the visionary poetry of W B Yeats from the polemics of Luther to the rhetoric of Barack Obama the author presents us with a fresh and illuminating meditation on the nature of faith In doing so he reveals how trust and faith the religious and secular are utterly entwined and how the attraction of religious faith outweighs the intellectual difficulties it presents *Decision Making and the Will of God* Garry Friesen,J. Robin Maxson,2009-10-07

Does God Have a Perfect Will for Your Life Does God have a perfect will for each Christian Can you be absolutely certain of God s specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God s will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God s will yet many are still unsure whether they ve found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God s will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God s will was biblically deficient Maybe there was a better way to understand HOW God guides **Finding God in the Fire** Dr. Marlon A. Moss, Jr., Finding God in the Fire by Dr Marlon A Moss Jr marks a compelling account where faith isn t a quiet whisper but a reckless leap into the unknown a concept vibrantly explored from

the outset Here faith defies the urge to calculate the cost urging a trust that stirs the soul even without a visible safety net Witness the seen and unseen clash as the Great Shepherd s voice resonates a central theme that distinguishes those who truly belong from those who merely observe The book embodies dedication and restoration drawing parallels from the historical Feast of Dedication Hanukkah to the personal rededication of one s own heart and nature Ultimately prepare to find the intense truth that reckless faith though often misunderstood signifies strategic wisdom a rhythm of bold confrontation and discerning retreat all for the sake of a greater purpose and to propel a surrender to a plan far greater than our own

Welcoming a Visitation Wesley Campbell,1996 In Welcoming a Visitation of the Holy Spirit Wesley Campbell takes a refreshing firsthand look at the renewal movement known as the Toronto Blessing He combines the expertise of a biblical scholar with the unabashed enthusiasm of someone who s fallen in love with his Savior all over again Learn about Prophecies in 1984 that pointed to events in Toronto in 1994 Biblical tests you can use to identify a visitation of the Holy Spirit The spiritual meanings behind falling down shaking and laughing New outbreaks of renewal and the future of the movement
