My Life Three Acts:

My Life as a Doormat (in Three Acts) Rene Gutteridge, 2023-12-19 Act I Avoid conflict at all costs Even when someone signs you up for something you really don't want to do Act II Try to hold things together even when your life is spinning out of control Act III You'll have to read the book to learn how it all plays out Playwright Leah Townsend doesn't think of herself as a doormat In fact her life is pretty good There's the gorgeous and dependable Edward even if he is a little dull and her challenging career even if the last two plays were flops The trouble is Leah's feeling restless these days The new play isn't going well Her agent is handing out ultimatums And her boyfriend Edward who insists Leah doesn't handle conflict well has the nerve to enroll her in a conflict management class full of people she's sure are her polar opposites including a conservative talk radio host named Cinco Dublin who thrives on the very thing Leah wants to avoid making waves Can a conflict challenged playwright ever learn to stand her ground even if life doesn't come in three predictable acts *My Life*
