## **Pumpkin Fair:**

The Pumpkin Fair Eve Bunting, 2001-09-17 A bouncy rhyme and delightful artwork bring this pumpkin fair to life The young narrator is ecstatic to be at the local pumpkin fair where pumpkins of every size are on display and that's not all There's pumpkin bowling a pumpkin pull and every sort of food you can imagine made from the orange stuff from ice cream to stew Christelow's good natured watercolor and ink illustrations are filled with things to look at and laugh about including a marching band in pumpkin suits Keep this book around to read for autumn story hours but you might want a piece of pumpkin pie when you're done ALA Booklist Christelow's jubilant illustrations in watercolor and pen and ink add to the general atmosphere of gaiety everywhere readers look families are interacting happily and having fun Halloween is never mentioned so the book could be used to celebrate the harvest season in general Of course it will also serve as a good non-scary Halloween story School Library Journal

Food, Festival and Religion Francesca Ciancimino Howell, 2018-08-09 Food Festival and Religion explores how communities in northern Italy find a restorative sense of place through foodways costuming and other forms of materiality Festivals examined by the author vary geographically from the northern rural corners of Italy to the fashionable heart of urban Milan The origins of these lived religious events range from Christian to vernacular Italian witchcraft and contemporary Paganism which is rapidly growing in Italy Francesca Ciancimino Howell demonstrates that during ritualized occasions the sacred is located within the mundane She argues that communal feasting pilgrimage rituals and costumed events can represent forms of lived religious materiality Building on the work of scholars including Foucault Grimes and Ingold Howell offers a theoretical Scale of Engagement which further tests the interfaces between and among the materialities of place food ritual and festivals and provides a widely applicable model for analyzing grassroots events and community initiatives Through extensive ethnographic research and fieldwork data this book demonstrates that popular Italian festivals can be ritualized liminal spaces contributing greatly to the fields of religious performance and ritual studies
