# Pure Geography

**Johannes Gabriel Granö**

## **Pure Geography:**

Pure Geography Johannes Gabriel Granö, 1997 Johannes Gabriel Gran's career as a geographer spanned the first half of the twentieth century. In the course of his explorations in Central Asia where his father had served as Lutheran pastor to Siberia's Finnish colony, Gran initially specialized in geomorphology, a highly fashionable branch of science at that time and one regarded by many as the true calling of the geographer. It was not long, however, before theoretical themes began to emerge in Gran's work. In the 1920s he began to develop a highly original methodology of landscape geography based on the idea that the real object of geographical research should be the environment as perceived by the senses and regions constructed on the basis of these perceptions. It was from this starting point that he created the doctrine he called pure geography. First published in German in 1929 and then in his native Finnish in 1930, Gran's *Pure Geography* is regarded by many geographers as one of the classic works in the field. Long out of print, this widely acclaimed classic is now available for the first time in English translation.

Applied Geography Antoine Bailly, Lay James Gibson, 2013-11-09 *Applied Geography: A World Perspective* reviews progress in applied geography in different regions of the world. It does this through the eyes of an international panel of highly regarded academic practitioners. The book offers new prospects on the use of established approaches and explores exciting new territories. Together, the contributors provide a comprehensive picture of applied geography today. This book is of relevance to faculty and graduate students in the fields of geography, planning, public policy, regional science, and other related social and behavioural sciences.

**The Geography of Tourism and Recreation** Colin Michael Hall, Stephen Page, 2006. This text, now in its fully updated third edition, continues to offer a comprehensive synthesis of the key issues associated with tourism, leisure, and recreation.

**The Elementary Stage of Pure Geography, According to the "Perryian Principia."** James Perry (educationalist.), 1829. **Bulletin of the American Bureau of Geography** ... American Bureau of Geography, 1901.

Geographers T. W. Freeman, 2015-12-14. *Geographers* is an annual collection of studies on individuals who have made major contributions to the development of geography and geographical thought. Subjects are drawn from all periods and from all parts of the world and include famous names as well as those less well known, including explorers, independent thinkers, and scholars. Each paper describes the geographer's education, life, and work, and discusses their influence and spread of academic ideas. Each study includes a select bibliography and a brief chronology. The work includes a general index and a cumulative index of geographers listed in volumes published to date. Published under the auspices of the International Geographical Union.

International Encyclopedia of Human Geography, 2019-11-29. *International Encyclopedia of Human Geography: Second Edition, Fourteen Volume Set* embraces diversity by design and captures the ways in which humans share places and view differences based on gender, race, nationality, location, and other factors. In other words, the things that make people and places different. Questions of, for example, politics, economics, race relations, and migration are introduced and discussed through a geographical lens. This updated edition will assist

readers in their research by providing factual information historical perspectives theoretical approaches reviews of literature and provocative topical discussions that will stimulate creative thinking Presents the most up to date and comprehensive coverage on the topic of human geography Contains extensive scope and depth of coverage Emphasizes how geographers interact with understand and contribute to problem solving in the contemporary world Places an emphasis on how geography is relevant in a social and interdisciplinary context Origin of Landscape Science Olavi Granö,2003 **The Principles of the Perryian System of Education. [With Plates.]** James PERRY (Author of "The Perryian System of Education".),1823 **Calendar** University of Sheffield,1921 Geographical Review Isaiah Bowman,G. M. Wrigley,1919 **Scottish Geographical Magazine** ,1908 *Journal of the American Geographical Society of New York* American Geographical Society of New York,1904 **Congress of Arts and Science** Howard Jason Rogers,1906 *Congress of Arts and Science: Physics. Chemistry. Astronomy. Sciences of the Earth* Howard Jason Rogers,1906 **The Geographical Journal** ,1914 Includes the Proceedings of the Royal geographical society formerly pub separately Report of the ... Meeting British Association for the Advancement of Science. Meeting,1927 **Report of the ... Meeting of the British Association for the Advancement of Science** British Association for the Advancement of Science,1901 *The Ohio History Teachers' Journal* ,1920 **Annual Report of the Board of Regents of the Smithsonian Institution** Smithsonian Institution. Board of Regents,1929
