Pure Slaughter Value:

Pure Slaughter Value Robert Bingham, 2015-07-15 In his extraordinary debut collection *Pure Slaughter Value* Robert Bingham tracks the conscience of a generation that grew up educated privileged and starved for meaning Bingham's strange sense of morbid fancy collides with a gutsy realism the result is splendid wreckage a young man is seduced by his first cousin or maybe it's the other way around at her brother's wake *The Other Family* a bored couple plot to kill a man during their ski resort honeymoon *Marriage Is Murder* a yuppie banker risks his whole perfect life for an affair with a junkie *The Fixers* an insurance company bounty hunter tracks down walk aways from drug and alcohol rehab *Preexisting Condition* and in the title story an eleven year old boy is caught at the exquisitely uneasy intersection of the safety of childhood play and the pain of grown up love and longing These lean potent stories are utterly original and yet by turns recall Salinger in their intellectual acuity emotional depth and wicked dark humor Fitzgerald in their vivid chronicling of a new restless social elite and the work of transgressive writers in their pervasive sense of the imminent possibility of danger and violence even in the most civilized surroundings Above all the stories in *Pure Slaughter Value* mark the debut of a striking new literary voice unsparing bold ironic and true that will haunt us for a long time to come

Wasps Michael Knox Beran, 2021-08-03 An examination of WASP culture through the lives of some of its most prominent figures *Envid* and lampooned misunderstood and yet distinctly American WASPs are as much a culture socioeconomic and ethnic designation and state of mind *Charming* witty and vigorously researched *WASPS* traces the rise and fall of this distinctly American phenomenon through the lives of prominent icons from Henry Adams and Theodore Roosevelt to George Santayana and John Jay Chapman Throughout this dynamic story Beran chronicles the efforts of WASPs to better the world around them as well as the struggles of these WASPs to break free from their restrictive culture The death of George H W Bush brought about reflections on the end of patrician WASP culture where privilege reigned but so did a genuine desire to use that privilege for public service In the time of Trump who is the antithesis of true WASP culture people look at the John Kerry Bobby Kennedy and Philip and Kay Grahams of the world with wistfulness And even though we are a more diverse and pluralistic nation now than ever before there is something about WASP culture that remains enduringly aspirational and fascinating Beginning at the turn of the 20th century Beran's saga dramatizes the evolving American aristocracy that forever changed a nation and what we can still glean from WASP culture as we enter a new era
