

The Puritan Experiment

- A group of puritan merchants obtained a grant from king Charles 1st for Massachusetts and new Hampshire he allowed them to create the Massachusetts bay company and establish a colony
- John Winthrop was chosen as the new governor. He commanded the expedition to New England (17 ships and 1,000 people) it was the largest migration of its kind.
- The Massachusetts migration produced several new settlements (Charlestown, Newtown, Roxbury, Dorchester etc..). The port of Boston became the company headquarters and the colony's capital.
- The company then transformed into a colonial Gov.
- The founders of Massachusetts had no intention of breaking from the church of England
