1906 President authorized to protect antiquities on federal land

Privatizing The Land

**United States. Congress. House.
Committee on Appropriations.
Subcommittee on Foreign Operations,
Export Financing, and Related
Programs**

Privatizing The Land:

Privatizing Public Lands Scott Lehmann, 1995-03-23 In the United States private ownership of land is not a new idea yet the federal government retains title to roughly a quarter of the nation's land including national parks forests and wildlife refuges Managing these properties is expensive and contentious and few management decisions escape criticism Some observers however argue that such criticism is largely misdirected The fundamental problem in their view is collective ownership and its solution is privatization A free market they claim directs privately owned resources to their most productive uses and privatizing public lands would create a free market in their services This timely study critically examines these issues arguing that there is no sense of productivity for which it is true that greater productivity is both desirable and a likely consequence of privatizing public lands or marketizing their management Lehmann's discussion is self contained with background chapters on federal lands and management agencies economics and ethics and will interest philosophers as well as public policy analysts

Privatizing the Land Ivan Szelenyi, 2002-09-11 Privatizing the Land provides an overview of reforms in the state socialist agrarian systems especially during the 1970s and 1980s in Eastern Europe and the Soviet Union Using empirical evidence the contributors provide a balanced assessment of how agrarian economies performed in different communist countries The Soviet and Eastern European experience is contrasted with reforms in China Vietnam and Cuba to provide the first comprehensive account of agricultural restructuring after the collapse of communism in Europe and Asia

Land Privatization in Mexico Maria Teresa Vázquez-Castillo, 2004-10-28 This book analyzes ejido land as space of urbanization and location of economic activities and capital and land privatization as a redistributive process with local urban regional and global consequences

In Defense of Public Lands Steven Davis, 2018-05-21 Debates continue to rage over the merits or flaws of public land and whether or not it should be privatized or at least radically reconfigured in some way In Defense of Public Lands offers a comprehensive refutation of the market oriented arguments Steven Davis passionately advocates that public land ought to remain firmly in the public's hands He reviews empirical data and theoretical arguments from biological economic and political perspectives in order to build a case for why our public lands are an invaluable and irreplaceable asset for the American people In Defense of Public Lands briefly lays out the history and characteristics of public lands at the local state and federal levels while examining the numerous policy prescriptions for their privatization or in the case of federal lands transfer He considers the dimensions of environmental health markets and valuation of public land the tensions between collective values and individual preferences the nature and performance of bureaucratic management and the legitimacy of interest groups and community decision making Offering a fair good faith overview of the privatizers best arguments before refuting them this timely book contemplates both the immediate and long term future of our public lands

Land Privatization in Mexico María Teresa Vázquez Castillo, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

Large-scale Privatization via Auctions, 2013-07-02 On the basis of a

game theoretic framework of analysis Jocelyn Braun shows that the mechanism of auctioning is an efficient and equitable alternative to many privatization methods that have so far been implemented with disappointing results

Land Privatization and Titling as a Strategy to Diminish Land Loss and Facilitate Access to Credit María José Castillo,2003 ABSTRACT This strategy would allow the comuneros to have better control of the land to make more profitable decisions over the resource as they would be able to enjoy land as an asset and to have greater abilities to obtain institutional credit Due to the lack of a formal land market in the area land is currently not accepted as collateral for credit Therefore after land privatizing and tilting comuneros will not be able immediately to take advantage of the collateral premium attached to individual land ownership While a formal land market develops comuneros would be able to increase their capital endowments through smaller on farm activities or off farm businesses if those are encouraged by institutions offering credit in the area In order to provide this financial support such institutions will need to meet several requirements which are along the lines of microfinance practices successfully applied in developing countries Institutional changes in the land tenure system and in the credit market would increase the opportunities and abilities of the comuneros to take advantage of the canals which in turn will increase the potential productivity of the land for these kinds of investors

Foreign Operations, Export Financing, and Related Programs Appropriations for 2000 United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations, Export Financing, and Related Programs,1999 *Global Privatization Laws and Regulations Handbook: Eastern Europe Volume 1 Strategic Programs and Regulations for Selected Countries* IBP USA,2013-08 2011 Updated Reprint Updated Annually *Global Privatization Laws and Regulations Handbook Vol 1 Eastern Europe* Privatization in Central & Eastern Europe ,1995 Privatization in Eastern Europe Hans Smith,Vratislav Pěchota,1994-07-05 A hands on approach to the privatization process in Eastern Europe divided into the following categories Guidelines for Foreign Purchasers of State Enterprises A Business Survival Guide for Getting Things Done in Kiev Critical Challenges of Capital Formation The Greenfield Approach to Privatization Vouchers and their Practical Use Detailed Analysis of the Particulars of the Privatization Procedures in Russia Ukraine Poland the Czech Republic and Slovakia and Hungary Furthermore Privatization in Eastern Europe includes a list of all privatization laws Land Reform, Taxes, Privatization, Land Markets and the Feasibility of Mortgage-backed Credit for Agriculture in Russia John Strasma,1996 The Governance of Western Public Lands Martin A. Nie,2008 Examines the conflict surrounding public land management revealing how problematic language in public land laws scarcity of resources and mistrust cloud the debates and offering a range of solutions to help move beyond the dysfunctional status quo management Survey of Land and Real Estate Transactions in the Russian Federation Gregory Kisunko,Jacqueline G. Coolidge,2007 This paper analyzes land transactions between municipalities and private businesses based on official data and business surveys in 15 regions of the Russian Federation Since the Russian Federation passed the new Land Code in 2001 land privatization has been officially encouraged

by the federal government and in particular land under previously privatized buildings was supposed to be privatized to the owner at a nominal price The paper shows that many subnational authorities which own or control the vast majority of land of interest to businesses appear to use a combination of high statutory land buy out prices and administrative barriers to deter land privatization and to offer long term leases which are not fully marketable instead On the other hand regions that have established low buy out prices and taken steps to remove unnecessary administrative barriers to land privatization appear to have higher rates of land ownership by businesses and to face lower levels of corruption in the privatization process The paper concludes that further reductions in the statutory prices for privatization of land under buildings and elimination of unnecessary administrative barriers should help to encourage further land privatization and the development of a competitive secondary market in commercial land Privatizing Agricultural Land in Russia Taber James Johnson,2000

Property Rights, Pastoral People and Problems with Privatization in Tanzania Eric J. Boos,2004 **Agricultural Privatization, Land Reform and Farm Restructuring in Central and Eastern Europe** Johan F.M. Swinnen,Allan Buckwell,Erik Mathijs,2018-12-13 First published in 1997 in the wake of the fall of the Soviet Union and its agricultural policies these editors presented a series of ten related articles on the transition to post communist more privatised agricultural policies each specialising in a specific region of Central and Eastern Europe Resulting from a research network this volume features a range of contributors including those preparing PhDs former governmental advisors and specialists in agricultural economics food policy and statistics The chapters cover Albania Bulgaria the Czech Republic Eastern Germany Hungary Romania Slovakia Slovenia and the Former Soviet Union along with a comparative analysis The contributors focus on three key issues of reform the collection of detailed data the collection of information on factors influencing the progress and completion of reform and explaining the results of privatisation and land reform with a particular emphasis on the first two elements This volume is well suited to policy makers analysts and researchers **Latvian land legislation in English: Regulations for Territorial Planning.
