Problems Of Perception:

The Problems of Perception R J Hirst, 2014-03-18 First published in 2002 Written in 1959 this volume looks at the philosophical problems of perception that arise mainly because our traditional common sense notions clash with the factual evidence concerning not only the occurrence of illusions and hallucinations but also the essential role played by complex causal and psychological processes in perceiving

The Problem of Perception A. D. Smith, 2005-01-01 In a major Contribution to the theory of perception A D Smith presents a truly original defense of direct realism the view that in perception we are directly aware of things in a physical world It offers two arguments against direct realism one concerning illusion and one concerning hallucination that upto now no theory of perception could adequately rebut At the heart of Smiths theory is a new way of drawing the distinction between perception and sensation alone with an unusual treatment of the nature of object of hallucination
