Stelzig, 2022-10-12 This gathering of autobiographical essays focuses on different experiences and periods of the author's life and hybrid identity a childhood spent in Austria teenage years in an American school and then a lyc e in France coming to the U S as a young adult and attending college studying in England for two years and then settling permanently in the U S into an academic career The word essay in the title is meant in its original or French sense as an attempt or trial The twenty four items in this gathering are a kaleidoscopic collection of such attempts at different modes of self reflexivity They are arranged not so much in the chronological order of their composition as by way of loosely assembled thematic clusters *True lies* suggests that by transforming lived experiences into language by way of memory imagination and reflection and often years and decades later we inevitably alter them as we write them down But we also re experience them and in so doing shift them

into another register These recollections cover a wide range of experiences Stelzig s early years his absurd encounter with a barber in Salzburg his mysterious Buddha experience in Hong Kong his travel misadventure in Spain his career as an aspiring poet his commitment to teaching Shakespeare s plays his love of dogs and of tennis and the death of a nineteen year old Austrian au pair girl True Lies is divided into three parts Austrian Roots addresses Stelzig s early years including his relationship with his Austrian parents Adult Branchings focuses on his American adult life and identity The final section Falling Leaves is for the most part a set of reflections on the later stages of life and the sense of mortality and of time running out the challenge of being in time and the question of what remains Quick Takes Elizabeth Penfield,Theodora Hill,1995-01-01 The 33 essays and 20 paragraphs in this collection are models of various rhetorical modes Each is followed by suggestions for writing with pointers to help readers develop a topic use a particular pattern and draft a paper
