One day, Eli was in the car with his mom and sister on their way to visit their cousins.</p> <p>To get there, they had to cross a bridge. The bridge always had traffic, but that day was worse than normal. It seemed that there was an accident that was causing traffic. Eli was concerned about the people in the accident. He hoped they were okay! Suddenly, Eli's mom said, "Oh no!" Eli and his sister looked out the front window to see smoke rising from the hood of the car. Eli's mom quickly turned the car off and jumped out. She opened the hood, and the children watched more smoke rise into the air. Eli's sister began to cry.</p> <p>Eli's mom called family members for help. She then called for a tow truck. She assured her children that they were safe and help was on the way. When the accident was cleared off the bridge, traffic began moving again. Eli, his sister, and his mom waited in the car for family to arrive.</p> <p>Thankfully, the family members arrived with their minivan.
