## **Preaching Paul:**

**Preaching Paul** Dr. Brad R. Braxton, 2010-08-01 Helpful and insightful strategies for preaching from the writings of Paul Few biblical figures are more compelling to preachers than the apostle Paul The story of his dramatic conversion on the road to Damascus is a favorite example of the way that God turns lives around His writings contain the earliest witness we have to the Christian gospel His message of God's offer of grace in the life death and resurrection of Jesus Christ is deeply appealing So why is it that when it comes time to choose a text for this Sunday's sermon preachers so often choose something other than Paul When Brad Braxton asked himself that question he realized that preachers are often daunted by the size and complexity of the Pauline corpus Drawing on his expertise as a New Testament scholar and homiletics professor as well as on his experience as a pastor Braxton offers the reader tools with which to wrestle more effectively with the complex yet essential message of Paul Eschewing either a solely historical approach or a completely spiritual one the author brings the two together to explore the meaning of Paul's message in its original context as well as its contemporary application Written with imagination and depth of understanding this book is for anyone who wishes to know Paul better and to preach from his letters more effectively *Preaching from the Cross* Frank J. Matera, 2025-02-11 Much has been written about the life ministry and theology of the apostle Paul But what about Paul specifically as a preacher How did he understand his commission from the risen Lord Jesus to preach the gospel and how did he put it into practice Further what lessons can contemporary preachers learn from Paul about the theology and practice of preaching to help them be more faithful messengers of God's Word As a leading Pauline scholar and practicing pastor Frank Matera has considered these questions and he offers this short accessible book to pastors and students as wise and helpful guidance Matera explores a Pauline theology of preaching focusing on three main questions Why did Paul preach What did he preach And how did he preach He also explores Paul's preaching as the ministry of the new covenant He identifies and explores seven themes of Paul's preaching which in turn offer key practical insights for preaching in a Pauline way Readers are encouraged to preach from the cross making the crucified Christ their focus and their model demonstrating what they preach by their own cruciform lives **We Preach Not Ourselves** Michael P. Knowles, 2008-04 Holds Paul up as a model of faithful and effective preaching to help pastors and seminarians evaluate their own preaching **THE TEACHER THE APOSTLE PAUL** Edward D.
