Major Barbara is a three act play by George Bernard Shaw written and premiered in 1905 and first published in 1907 An
Officer of The Salvation Army Major Barbara Undershaft becomes disillusioned when her Christian denomination accepts
money from an armaments manufacturer her father and a whisky distiller She eventually decides that bringing a message of
salvation to people who have plenty will be more fulfilling and genuine than converting the starving in return for bread
Although Barbara initially regards the Salvation Army s acceptance of Undershaft s money as hypocrisy Shaw did not intend
that it should be thought so by the audience Shaw wrote a preface for the play s publication in which he derided the idea that
charities should only take money from morally pure sources He points out that donations can always be used for good
whatever their provenance and he quotes a Salvation Army officer they would take money from the devil himself and be only
too glad to get it out of his hands and into God s **Major Barbara** George Bernard Shaw,2020-03-19 When a Salvation

Barbara is thought to be one of Shaw's most controversial works. While trying to give a realistic presentation of how he saw Christianity, many accused him of blasphemy. Major Barbara Undershaft thought it hypocrisy that her church accepted charity from companies such as a whisky distiller and eventually decided that it would be more fulfilling to bring salvation to people who had plenty of vices than the people in need. Shaw intended to show that no matter how terrible the donor may be, the donation can produce good.
