

VICE

Vice, the opposite of virtue, refers to negative, destructive, and morally wrong traits in a person.

OVERVIEW

A vice is a negative habit or behavior that is considered immoral, unhealthy, or socially unacceptable. It often involves indulging excessively in activities such as gambling, substance abuse, or compulsive behaviors. Vices can have detrimental effects on an individual's well-being, relationships, and overall quality of life.

EXAMPLES

- **Lust** - Wanting what someone else possesses
- **Gluttony** - Over-consumption beyond our reasonable needs
- **Greed** - Selfish desire, especially for wealth, power, and possessions
- **Pride** - Self-adulation and over-inflation of ego

Greek and Latin Literature of the Roman Empire Albrecht Dihle, 2012-12-31 Professor Dihle sees the Greek and Latin literature between the 1st century B C and the 6th century A D as an organic progression He builds on Schlegel's observation that art customs and political life in classical antiquity are inextricably entwined and therefore should not be examined separately Dihle does not simply consider narrowly defined literature but all works of cultural socio historical significance including Jewish and Christian literature philosophy and science Despite this major authors like Seneca Tacitus and Plotinus are considered individually This work is an authoritative yet personal presentation of seven hundred years of literature

Out of the Stream Luís Urbano Afonso, Vítor Serrão, 2021-02-19 The subject of this book arises from recent developments in the inventory preservation and study of mural paintings from the Middle Ages and the Renaissance particularly those from what can be considered the periphery of Europe The aim of this book is to demonstrate the vitality that the study of wall painting in peripheral regions can bring to the discipline of Art History The articles collected in this book are overwhelmingly about wall paintings that would be hard pressed to be considered part of the master narrative of Art History They are studies regarding regions and themes that are rarely present in the mainstream of the discipline but their common thread is their focus on the functional dimension of mural paintings and on the complex interrelation between image audience social context and everyday life From Denmark to Portugal from graffiti to secular painting from the orthodox monasteries of Moldavia to the noble residences of Tirol from Giotto to anonymous and sometimes almost amateur painters the studies gathered in this book place very distinct artistic realities side by side offering complementary perspectives and insights The book will make a valuable contribution to the literature on Medieval and Renaissance mural painting combining theoretical essays with others more descriptive As the eighteen studies collected in this book deal with paintings from a range of European regions from Denmark to Portugal and Romania the book will find its way in Europe and abroad both in the field of art history and that of Medieval and Early Modern history The wealth of plates and figures will make the book also accessible to a broad audience interested in the history of painting architecture and cultural heritage

Mirror of Opposition T.S. Robinson, 2010-02-04 *Mirror of Opposition* chronicles the physical mental and spiritual maturation of three adolescent boys who begin their journey as friends training to become samurai warriors at a prestigious dojo Along the way their paths soon split apart after an ancient evil destroys all that they know putting them on their own soul searching journeys one alive one dead and one undead to manhood Eventually their supernatural paths cross again as they are reunited during an epic battle that will ultimately pit their childhood friendships against everything they have come to know and stand for as men
