Nepalese Political Behaviour:

Nepalese Political Behaviour Ole Borre, Sushil R. Panday, Chitra K. Tiwari, 1994 This work contains the first comprehensive study of Nepalese voters It is based on hour long interviews with 1000 Nepalese voters spread over the Himalayan kingdom The survey was conducted immediately after the general election in May 1991 the first election to take place under the multiparty system which was introduced after the mass uprising in April 1990 This study registers the political attitudes prevailing in Nepalese society the voters perceptions of political problems their evaluations of party differences their participation in the election campaign and eventual partisan choice *Nepalese Political Science and Politics*, 1996

A History of Nepal John Whelpton, 2005-02-17 Nepal emerged as a unified state over two hundred years ago centred on the Kathmandu Valley with its two thousand years of urban civilisation While John Whelpton's history focuses on the period since the overthrow of the Rana family autocracy in 1950 51 the early chapters are devoted to the origins of the kingdom and the evolving relations of its diverse peoples By drawing on research on Nepal's environment society and political institutions the author portrays a country of extraordinary contrasts which has been constantly buffeted by its neighbours the two Asian giants China and India Economic and political turmoil over the last fifty years came to a climax in the massacre of the royal family in 2001 when the country erupted into civil war The book first published in 2005 is comprehensive and its accessible approach will appeal to students professionals and those visiting the region **Routledge Handbook of South Asian Politics** Paul R. Brass, 2010-04-30 The Routledge Handbook of South Asian Politics examines key issues in politics of the five independent states of the South Asian region India Pakistan Bangladesh Sri Lanka and Nepal Written by experts in their respective areas this Handbook introduces the reader to the politics of South Asia by presenting the prevailing agreements and disagreements in the literature In the first two sections the Handbook provides a comprehensive introduction to the modern political history of the states of the region and an overview of the independence movements in the former colonial states The other sections focus on the political changes that have occurred in the postcolonial states since independence as well as the successive political changes in Nepal during the same period and the structure and functioning of the main governmental and non governmental institutions including the structure of the state itself unitary or federal political parties the judiciary and the military Further the contributors explore several aspects of the political process and political and economic change especially issues of pluralism and national integration political economy corruption and criminalization of politics radical and violent political movements and the international politics of the region as a whole This unique reference work provides a comprehensive survey of the state of the field and is an invaluable resource for students and academics interested in South Asian Studies South Asian Politics Comparative Politics and International Relations

Social Inclusion of Ethnic Communities in Contemporary Nepal, 2013-08-15 *Social Inclusion of Ethnic Communities in Contemporary Nepal* focuses on the dynamics of ethnic identities and movement in South Asian states in a

comparative framework As we witness a series of explosive ethnic revivals across the globe this study investigates the issues around ethnicity that have come to occupy centre stage in Nepal's contemporary political and development discourse Nepal is at the crossroads of state building The Constituent Assembly is now looking into the modalities of establishing a multi cultural multi social multi linguistic multi religious and multi ethnic federal state In the aftermath of the April 2006 Jana Andolan II and the commitment of the ruling political alliance to restructuring Nepal along federal republican lines the assessment of Nepal's ethnic question from multiple perspectives political sociological economic and spatial has acquired a new urgency Ethnic identity is only one part of the problem of ethnicity in Nepal Federalism therefore has to be conceived of as an exercise in addressing the multiplicity of issues that form the agenda of Nepal's development so that a politically socially and economically integrated dynamic and progressive Nepal emerges from the shadows of the past This work includes an intensive analysis of facts figures and particulars collected from available records and surveys One of the aims of the study is to assess the defining ethnic identity among the Limbus centred on a case in an urban area in the Kathmandu Valley This work is mainly based on qualitative data but quantitative data has also been used to measure various aspects of the community like the level of educational economy etc This volume will be an invaluable guide for the scholars of federalism in Nepal while also educating the lay reader in general
