

OATH OF SILENCE

Some words must never be spoken.
Some secrets must never be learned.
Some things are best forgotten.
Some treasures must be returned.

A PALADIN OATH

A paladin who takes this oath knows that there are some secrets that must be protected at all cost. Thus, they take the oath of silence; not because they must not speak, but because others must be silenced. These paladins spend their lives learning long lost and dangerous secrets and protecting the world from them.

TENETS OF SILENCE

The tenets of the Oath of Silence are all about secrets.

- **Listen.** There are many secrets in the world. These must be learnt and investigated.
- **Guard.** There are some secrets that must be protected at all costs.
- **Silence.** If someone learns a dangerous secret, they must be silenced.

OATH SPELLS

You gain oath spells at the paladin levels listed.

OATH OF FREEDOM SPELLS

Paladin Level	Spells
3rd	Identify, Sleep
5th	Invisibility, Silence
9th	Clairvoyance, Dispel Magic
13th	Confusion, Greater Invisibility
17th	Legend Lore, Modify Memory

CHANNEL DIVINITY

When you take this oath at 3rd level, you gain the following two Channel Divinity options.

- **Silence!** As an action you may brandish your holy symbol and choose a creature you can see within 60 feet of you. The creature must succeed on a Wisdom saving throw against your spell save DC or be unable to make vocal sounds and have disadvantage on the first attack roll it makes each turn for 1 minute. The creature can repeat the saving throw at the end of each of its turns, ending all effects on a success.
- **Speak!** As an action you may touch a creature and try to discover what secrets it knows. The creature must succeed on a Charisma saving throw against your spell save DC, or be charmed by you for 1 minute or until you or your companions do anything to harm it. While it is charmed by you in this way, the creature must answer all questions you ask it as truthfully as it can.

Silence by M. Ryan Reynolds

AURA OF STILLNESS

Beginning at 7th level, the sounds around you are muffled. You and friendly creatures within 5 feet of you have resistance to thunder damage and have advantage on Dexterity (stealth) checks they make. Additionally, Wisdom (perception) checks made to hear you and friendly creatures within 5 feet of you have disadvantage.

You may choose to turn this aura on or off as an action.

At 18th level, the range of this aura increases to 15 feet.

QUIET REBUKE

At 15th level, you may silence others instantly. Whenever a creature within 15 feet of you begins to speak or make a vocal sound, you may attempt to silence them as a reaction. The creature must succeed on a Wisdom saving throw, or be unable to speak or make vocal sounds until the end of your next turn.

You may use this feature a number of times equal to your Charisma modifier, after which you must finish a long rest to use it again.

UNSEEN SILENCER

At 20th level, you can become truly imperceptible. As an action, you may enter into a silent and invisible state. You gain the following benefits for up to 1 hour:

- You are invisible.
- Your movement makes no sound and causes no vibrations, meaning you automatically succeed on all Dexterity (stealth) checks you make as long as you are unseen and only creatures with blindsight or truesight can perceive you (not tremorsense).
- You cannot speak or make audible sounds.
- Any hit you score with a weapon attack against a creature that can't perceive you is a critical hit.
- When you hit a creature with a weapon attack, you return visible and the state ends.

After you've entered into this state, you may not do so again until you finish a long rest.
