chose instead to use his priesthood to speak in unpopular but prophetic support of justice and equality for African Americans From his student days at the seminary at the University of the South to his first church in Cleveland Mississippi and most famously to St Peter s Parish in Oxford where he confronted rioters in 1962 Gray steadfastly and fearlessly fought the status quo He continued to work for racial reconciliation inside and outside of the church throughout his life This biography tells not only Gray s story but also reveals the times and people that helped make him The author s question is What makes a good person And One Was a Priest suggests there is much to learn from Gray s choices and his struggle Art in Mississippi, 1720-1980 Patti Carr Black,1998 In Art in Mississippi Patti Carr Black focuses on several hundred significant artists and showcases in full color the work of more than two hundred Nationally acclaimed native Mississippians are here George Ohr Walter Anderson Marie Hull Theora Hamblett William Dunlap Sam Gilliam William Hollingsworth Jr Karl Wolfe Mildred Nungester Wolfe John McCrady Ed McGowin James Seawright and many others Prominent artists who lived or worked in the state for a significant period of time are included as well John James Audubon Louis Comfort Tiffany George Caleb Bingham William Aiken Walker and more Black explores how art reflects the land and how modes of living and values dictated by Mississippi s changing topography created a variety of art forms She demonstrates the influence of Mississippi s diverse cultures upon the art and shows how it has responded in many forms painting architecture sculpture fine crafts to the changing aesthetics of national art movements An Oral History with Obie Clark ,2015 Discusses experiences with racism growing up and the inequality of schools in Mississippi Describes the role of African American community leaders in the struggle to integrate public facilities in Meridian and his participation in the Ayers lawsuit an attempt to desegregate Mississippi s junior colleges and universities Discusses incidents with the Ku Klux Klan and the Jewish community of Meridian **The Cosmopolitan** ,1923 Federal Advisory Committees United States.
