Obscene Chronicles:

The Obscene Chronicles Michael Edwards, Adam Steele, Roger Cameron, *The Secular Chronicle*, 1874 **Chronicles of Old San Francisco** Gael Chandler, 2014-11-01 Discover one of the world's most unique and fascinating cities through 28 dramatic true stories spanning the colorful history of San Francisco Author Gael Chandler takes readers through more than 250 years of American history with exciting essays on topics such as the city's origins to the founding of the Presidio of San Francisco and the Mission San Francisco de Asis to its modern role as the progressive and innovative heart of a nation Along the way you'll meet characters like the city's foremother Juana Briones Gold Rush entrepreneur Levi Strauss confectioner Domenico Ghirardelli gangster Al Capone the rock legends of Haight Ashbury activist politician Harvey Milk the pioneers of today's techno boom and many others who changed the face of the city plus lesser known tales like those of the children of Alcatraz and the story of John McLaren the architect of Golden Gate Park In addition guided walking tours of San Francisco's historic neighborhoods by the bay and beyond illustrated with color photographs and period maps take readers to the places where history really happened **Becoming Lincoln** William W. Freehling, 2018-09-25 Shortlisted for the 2018 Lincoln Prize Previous biographies of Abraham Lincoln universally acknowledged as one of America's greatest presidents have typically focused on his experiences in the White House In *Becoming Lincoln* renowned historian William Freehling instead emphasizes the prewar years revealing how Lincoln came to be the extraordinary leader who would guide the nation through its most bitter chapter Freehling's engaging narrative focuses anew on Lincoln's journey The epic highlights Lincoln's difficult family life first with his father and later with his wife We learn about the staggering number of setbacks and recoveries Lincoln experienced We witness Lincoln's famous embodiment of the self-made man although he sought and received critical help from others The book traces Lincoln from his tough childhood through incarnations as a bankrupt with few prospects a superb lawyer a canny two-party politician a great orator a failed state legislator and a losing senatorial candidate to a winning presidential contender and a besieged six weeks as a pre-war president As Lincoln's individual life unfolds so does the American nineteenth century Few great Americans have endured such pain but been rewarded with such success Few lives have seen so much color and drama Few mirror so uncannily the great themes of their own society No one so well illustrates the emergence of our national economy and the causes of the Civil War The book concludes with a substantial epilogue in which Freehling turns to Lincoln's wartime presidency to assess how the preceding fifty-one years of experience shaped the Great Emancipator's final four years Extensively illustrated nuanced but swiftly paced and full of examples that vividly bring Lincoln to life for the modern reader this new biography shows how an ordinary young man from the Midwest prepared to become against almost absurd odds our most tested and successful president Let's Go Stag! Dan Erdman, 2021-11-18 For much of the 20th century the underground pornography industry made up of amateurs and hobbyists who created hardcore explicit stag films went about its business hounded by reformers and law enforcement from

local police departments all the way up to the FBI Rumors of this illicit activity circulated and became the stuff of urban myth but this period of pornography history remains murky Let s Go Stag reveals the secrets of this underground world Using the archives of civic groups law enforcement bygone government studies and similarly neglected evidence archivist Dan Erdman reconstructs the means by which stag films were produced distributed and exhibited as well as demonstrate the way in which these practices changed with the times eventually paving the way for the pornographic explosion of the 1970s and beyond Let s Go Stag is sure to point the way for countless future researchers and remain the standard work of history for this era of adult film for a long time to come
